Guidance notes

This section shows the cover provided for claims made by other people for injury to them or damage to their property.

This part covers claims made against you.

We will insure you for accidents which happen as a result of loading or unloading your vehicle. (See exceptions to section 1.)

This part covers claims made against people other than yourself from incidents involving your vehicle.

It covers:

- other people driving your vehicle with your permission (if shown on the certificate); and
- passengers.

If anyone insured dies, cover will be provided for a legal representative.

- We will pay the solicitor's fees for representing or defending anyone we insure.
- If any person covered by this insurance is charged with causing death while driving, we will arrange and pay for their defence.

Section 1 - Liability to others

Driving your vehicle

We will insure you for all the amounts you may be legally liable to pay for:

- death of or injury to other people; or
- damage to property;

as a result of any accident you have while you are driving, using or in charge of your vehicle, or while you are loading and unloading your vehicle.

Other people driving or using your vehicle

In the same way you are insured, we will also cover the following people.

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition.
- Any passenger who causes an accident while travelling in or getting into or out of the insured vehicle as long as you ask us in writing, after the accident, to indemnify the passenger.

Limits of indemnity to property damage

The most we pay for property damage is £5,000,000 for any one claim or claims arising out of one incident.

If there is a property damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, provided that the claim is covered by this insurance.

Costs and expenses

Legal costs

If we first agree in writing, we will pay:

- solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction;
- reasonable costs for legal services to defend anyone we insure against any prosecution arising from any death; and

Section 1 - Liability to others (continued)

- all other legal costs and expenses we agree to.

We will only pay these legal fees if they arise from an accident that is covered under this insurance.

Emergency medical treatment

We will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

If this is the only payment we make, it will not affect your no claim bonus.

(We must provide this cover under the Road Traffic Acts.)

European Union (EU) (compulsory cover)

We will provide the minimum insurance needed by the relevant law to allow you to use your vehicle:

- in any country which is a member of the EU; and
- in any other countries which have made arrangements to meet the insurance conditions of, and are approved by, the Commission of the European Union.

If you need the cover shown in the schedule, you must tell us, in writing, about any journey abroad that you are going on. You must pay an extra premium for the cover (see section 4 - Foreign use).

Guidance notes

- We will pay any legal costs and expenses we have agreed to.

We will pay the compulsory fee for emergency medical treatment after an accident.

If we only make a payment under this paragraph, this will not affect your no claim bonus.

The policy automatically provides the minimum cover you need to use your vehicle in all countries in the European Union and in certain other countries. The minimum cover varies from country to country. To make sure you have the cover shown in the schedule, you should contact us so we can arrange to extend your cover (see section 4 - Foreign use).

Guidance notes

Under this section you can tow a caravan, trailer or broken-down vehicle. You are only covered for claims made against you.

- There is no cover for loss of or damage to the caravan, trailer or broken-down vehicle.
- There is no cover for loss of or damage to any property in or on the caravan, trailer or broken-down vehicle.
- You must not be receiving a payment for towing the caravan or broken-down vehicle.
- You must not tow more than the number of trailers allowed by law.
- You must only be towing one caravan or broken-down vehicle.
- The caravan, trailer or broken-down vehicle must be properly secured to your vehicle.
- The way you are towing the caravan, trailer or broken-down vehicle must meet any law and the manufacturer's guidelines.

Towing

Under this section we will insure you while any vehicle covered by this insurance is towing a caravan, trailer or a broken-down vehicle (as allowed by law).

We will not pay any claim arising from the following.

- Damage to or loss of the towed caravan, trailer or broken-down vehicle.
- Damage to or loss of any property being carried in or on the towed caravan, trailer or broken-down vehicle.
- A caravan, trailer or broken-down vehicle being towed for reward.
- Towing more trailers than the number allowed by law.
- If more than one caravan or broken-down vehicle is being towed at any one time.

We will only provide this cover if:

- the caravan, trailer or broken-down vehicle is properly secured to your vehicle by towing equipment manufactured for the purpose; and
- the method of towing the caravan, trailer or broken-down vehicle stays within the manufacturer's recommended towing limits and any other relevant law.

Exceptions to section 1

This section of your insurance does not cover the following.

- Anyone who can claim for the same loss from any other insurance.
- Loss of, or damage to, property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance.
- Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws.
- Death, bodily injury or damage arising off the road as a result of the loading or unloading of your vehicle by anyone apart from the driver or attendant.

Guidance notes

We do not have to provide cover or settle claims under section 1 if any person claiming under this insurance:

- can claim for the same loss from any other insurance;
- is claiming for loss of or damage to any insured vehicle or property belonging to them;
- is claiming for death or injury to any employee during the course of their work other than accidents to which the Road Traffic Act applies;
- is claiming for death, injury or damage (except the driver or attendant) while loading or unloading off the road.

Guidance notes

Under this section we will provide cover when your vehicle suffers loss or damage caused by the events shown opposite.

Your vehicle's accessories or spare parts are also covered.

Loss or damage to audio, visual and telephone equipment is also insured (less any excess you must pay). To contact our authorised suppliers phone our **helpline on 0844 8001931**.

These are the ways we will settle your claim.

The market value of your vehicle is the cost of replacing it with one of the same make, model, age, type and condition.

We will not pay for any part of a repair or replacement which leaves the vehicle in a better condition than it was in before.

Section 2 - Loss of or damage to your vehicle

This cover only applies to your vehicle

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- accidental or malicious damage and vandalism;
- fire, lightning, self-ignition and explosion; or
- theft or attempted theft, or taking the vehicle away without your permission.

Accessories and audio, visual or telephone equipment

Your vehicle's spare parts and fitted accessories are insured in the same way, as long as they are used with your vehicle, are kept in or on your vehicle and fall within the maximum amount we pay.

Permanently-fitted audio, visual and telephone equipment is also insured against loss or damage, but we will only pay the market value of the equipment at the time of the loss or damage. We will only pay up to **£400** for items which are not the manufacturer's standard fitted equipment. We will not pay for loss of or damage to cassettes, compact or mini discs, DVDs or accessories used with the audio, visual or telephone equipment.

For a claim under this section we may either:

- pay for the damage to be repaired;
- pay an amount of cash to replace the lost or damaged item; or
- replace the lost or damaged item.

The most we will pay will be either:

- the market value of your vehicle immediately before the loss (including its accessories and spare parts) up to the value shown in the schedule; or
- the cost of repairing the vehicle; whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens you must make a contribution towards the cost of repair or replacement.

Section 2 - Loss of or damage to your vehicle

Transport after an accident

If your vehicle cannot be driven after an accident, we will pay the reasonable cost (where necessary) of taking your vehicle to a repairer near to your vehicle's location, and returning it after the repair to your last known address. Do not attempt to move the vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of attempts to move your vehicle, we will not pay any extra cost arising from that damage.

Repairs

Repairs can be arranged quickly by using our **24-hour helpline**. Call us on **0844 8001931**.

If your vehicle can be driven safely and is damaged in a way which is covered by this insurance, you must send us an accident report form. You must also send two estimates from different garages so that we can decide on a suitable repairer.

If your vehicle cannot be driven safely after an accident, you may arrange for repairs to be started if you first get an estimate and immediately send it to us with a full report of the incident.

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with the repairer over costs.

Total loss (write-off)

If your vehicle is considered to be a write-off (if the cost of repairs is greater than the market value of the vehicle), we will offer you an amount as compensation. This insurance for your vehicle will end when you accept that offer.

If we ask, you must return the certificate of motor insurance and the schedule before we pay the compensation.

The vehicle then becomes our property.

We may decide to let the insurance continue on a replacement vehicle.

Guidance notes

If your vehicle cannot be driven after an accident, we will pay the cost of removing it to the nearest repairer.

We can arrange help if you call our **24-hour helpline** on **0844 8001931**.

This section shows you what you have to do if your vehicle needs repairing after an accident.

If you want to avoid the need to get estimates you can call our **24-hour helpline** on **0844 8001931**.

If your vehicle becomes a write-off and we offer you a payment, the insurance will end for that vehicle when you accept the payment.

The insurance cover can only be transferred to a replacement vehicle if we give our permission.

Guidance notes

If the vehicle is on hire purchase or belongs to someone else we may settle the claim directly with them.

This section provides cover for damage to glass in the windscreen or windows, including the cost of supplying and fitting. This section also covers scratching of the bodywork resulting only from such damage.

To contact our authorised suppliers phone our **24-hour windscreen helpline** on **0844 5611934**.

An excess applies to this cover. Please contact our **24-hour windscreen helpline** for details.

If your vehicle is less than one year old, we may offer you a new replacement vehicle. The circumstances in which we can give this benefit are shown opposite.

Financial interest

If the vehicle belongs to someone else, or is part of a hire purchase or leasing agreement, we will normally pay an amount for the total loss of the vehicle to the vehicle's legal owner.

Windscreen damage

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen. This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

- If the windscreen or window is replaced by an authorised windscreen replacement company, you will have unlimited cover and you will only have to pay the first £50 of each claim. (Please contact our **24-hour helpline** on **0844 5611934** for details of our authorised repairers.)
- If the replacement is carried out by any other repairer, you will have unlimited cover but you will have to pay the first £100 of each claim.
- If the windscreen or window is repaired, you will not have to pay an excess.

If we pay under this part, this will not affect your no claim bonus.

New vehicle replacement

If your vehicle is less than one year old from the date of you buying it new and it is either:

- stolen or lost and not recovered; or
- damaged so that repairs will cost more than 60% of the manufacturer's Recommended Retail Price (including taxes);

we will replace your vehicle with a new one of the same make, model and specification, if one is available. If one is not available, we will pay an amount equal to that which was paid when you bought the vehicle, or the current manufacturer's Recommended Retail Price (including taxes), whichever is less.

The lost or damaged vehicle will then belong to us. (We will only provide this benefit if you ask for it and anyone with a financial interest in the vehicle agrees.)

Excesses

If an excess is shown in the schedule, you have agreed to pay that amount for each incident of loss or damage.

Extra excesses for young or inexperienced drivers

If your vehicle is damaged while a young or inexperienced person (including yourself) is driving you will have to pay the first part of the cost as shown below. This is on top of any other excesses which you may have to pay.

Drivers

Amount

- | | |
|---|------|
| ■ Under 21 years of age | £300 |
| ■ Aged 21 to 24 years of age | £200 |
| ■ 25 years of age or over but who have a provisional driving licence or who have not held, for 12 months or more, a full driving licence issued by any country which is a member of the European Union. | £200 |

You will not have to pay the amounts shown above if the loss or damage is caused by fire or theft.

When your vehicle is being serviced

The cover provided under this section will still apply when your vehicle is being serviced or repaired. While the vehicle is in the hands of the motor trade for a service or repair we ignore any restrictions on driving or use (as shown in your certificate of motor insurance).

Guidance notes

An excess is the amount you must pay towards every claim for loss or damage to your vehicle.

Note: These excesses are added to any other excesses which apply.

When your vehicle is with a motor trader for servicing or repair you continue to have the cover provided under section 2 (Loss of or damage to your vehicle).

Guidance notes

Important: There are certain circumstances which are not covered and these are shown opposite.

It is important that you take all reasonable measures to avoid loss or damage, such as removing your keys from the ignition when the vehicle is unattended (for example, do not leave the keys in the ignition when paying for petrol, or leave the vehicle unattended and the engine running). Also make sure that any immobiliser or alarm system is turned on.

Exceptions to section 2

This section of your insurance does not cover the following.

- The amount of any excess shown in the schedule.
- An amount as compensation for you not being able to use your vehicle (including the cost of hiring another vehicle).
- Wear and tear.
- Failures, breakdowns or breakages of mechanical, electrical, electronic or computer equipment.
- The vehicle's value reducing, including loss of value as a result of damage, whether repaired or not.
- Repairs or replacements which improve the condition of the vehicle.
- Damage to tyres, unless caused by an accident to your vehicle.
- Damage due to liquid freezing in the cooling system, unless you have taken reasonable precautions as laid down by the vehicles manufacturer's instructions.
- Loss of or damage to accessories unless they are permanently attached to your vehicle.
- Any amount over the last known list price of any part or accessory, plus the reasonable cost of fitting the part or accessory, if the vehicle manufacturer or its agent cannot supply it from stock held in the United Kingdom.
- Loss of or damage to the vehicle by someone who got it by fraud or deception.
- Loss resulting from repossessing the vehicle and returning it to its rightful owner.
- Loss of or damage to your vehicle or its contents by theft or attempted theft or an unauthorised person taking and driving it if:
 - it has been left unlocked;
 - it has been left with the keys in it;
 - it has been left with the windows, roof panel or the roof of a convertible vehicle open; or
 - reasonable precautions have not been taken to protect it.

Section 3 - Personal accident benefits

We will pay the following amounts if the driver of your vehicle accidentally receives an injury or is killed and within three months of the accident it is the only cause of that death or injury.

Type of injury	Amount we will pay
■ Death	£5,000
■ Loss of any limb	£1,500
■ Permanent blindness in one or both eyes	£1,500

To get a payment, the injury or death must be directly connected to your vehicle's accident.

The most we will pay in any one period of insurance is £5,000.

We will make the payment to you or your legal representative.

If the driver has any other insurance contract with us, we will only pay out under one contract.

The personal accident benefit does not apply to:

- anyone who is not allowed to drive by your current certificate of motor insurance or who is excluded by an endorsement, exception or condition;
- anyone who is 70 or older at the time of the accident; or
- death or bodily injury caused by suicide or attempted suicide.

Guidance notes

This section provides benefit to the driver after death or serious injuries following an accident in your vehicle.

The maximum amount we will pay in any one period of insurance is £5,000.

The restrictions on this cover are shown opposite.

Guidance notes

This section describes the cover available if you take your vehicle abroad.

If you do not let us know that you are going abroad, we will only give you the minimum cover provided in section 1. If, under the law of any country, we have to settle a claim which we would not otherwise have paid, we may recover this amount from you or from the person who made the claim.

When travelling abroad, please apply to us before your trip and we will normally agree to extend your cover. The extended insurance will then cover you in the countries which we have agreed to provide cover in, and when your vehicle is travelling by rail or sea between those countries.

If your vehicle suffers any loss or damage that is covered by this insurance and the vehicle is in a country where you have cover, we will refund any customs duty you pay to temporarily import your vehicle.

Section 4 - Foreign use

If we agree to provide cover before you go abroad, and you pay us an extra premium, we will extend the cover for your vehicle so the following benefits apply.

■ Insurance cover

This insurance is extended to apply to claims occurring:

- in any country which we have agreed to provide cover for; and
- while the vehicle is being transported (including loading and unloading), between ports in countries where you have cover, as long as the vehicle is being transported by rail or by a recognised sea route of not more than 65 hours.

■ Customs duty and other charges

We will refund any customs duty you have to pay as a direct result of your vehicle suffering any loss or damage covered by this insurance.

General terms

No claim bonus

If a claim is not made under this insurance during the periods shown below, we will reduce your renewal premium as follows.

Number of years with no claim	Reduction
One year	30%
Two years	40%
Three years	50%
Four or more years	60%

If only one claim is made in any period of insurance, and if the terms and conditions do not change, any no claim bonus which you have earned will be reduced at your next renewal as follows.

- From 60% to 40%
- From 50% to 30%
- From 40% or 30% to nil

If two or more claims are made in any period of insurance, you will lose your no claim bonus. If more than one vehicle is covered by this insurance, we will assess the no claim bonus as if a separate insurance had been issued for each vehicle. Following a write-off, if the insurance is transferred to a replacement vehicle, we will not allow any no claim bonus unless we agree otherwise.

Your no claim bonus cannot be transferred to another person.

Glass damage

If the only claim you make is for broken glass in your vehicle's windscreen or windows, including bodywork scratched by the breakage, it will not affect your no claim bonus.

Emergency medical treatment

Any payments we make for emergency medical treatment will not affect your no claim bonus.

Changing or adding a vehicle to this insurance

If you change the vehicle covered by this insurance, or get an extra vehicle which you want cover to apply to, you must tell us in writing and we must agree before cover can start. (We may ask you to return your certificate of motor insurance.) We will give you advice on any change in premium and we will send you a new schedule confirming our acceptance.

Guidance notes

This clause shows how your premium will be reduced if a claim is not made.

The largest discount you can earn is 60%.

This is a 'no claim bonus' and not a 'no blame bonus'. If you make a claim for an event which is not your fault, and we have to make a payment, this will affect your no claim bonus unless we can recover our expenses from the person responsible for the event.

If two or more claims arise in any period of insurance, you will lose any no claim bonus you have.

You cannot transfer your no claim bonus to someone else.

Claims made just for glass damage or emergency medical treatment do not affect your no claim bonus.

We must be told about, and agree to, any new or extra vehicle. If there is any change in premium, we will let you know and send you a new schedule.

Guidance notes

Throughout the insurance you have seen exceptions which apply to each section. These general exceptions apply to all the sections.

You must hold a valid driving licence and you should make sure the people you allow to drive also have a valid driving licence and are not disqualified. This exception will not apply where a licence is not required by law.

The insurance does not extend outside the United Kingdom, apart from the minimum cover provided by section 1 (compulsory cover in the EU).

In the event of a war or similar occurrence, we will provide the minimum amount of cover necessary under the relevant law.

Accident, injury, loss, damage, indirect loss or legal liability occurring as a result of the items specified opposite are not covered.

General exceptions

These general exceptions apply to the whole insurance.

Your insurance does not cover the following.

1. Any liability, loss or damage arising while any vehicle covered by this insurance is being:
 - used for a purpose which the vehicle is not insured for;
 - driven by or is in the charge of anyone who is not mentioned in the certificate of motor insurance as a person entitled to drive or who is excluded by an endorsement;
 - driven by anyone (including you) who you know is disqualified from driving, has never held a licence to drive the vehicle, or is prevented by law from having a licence (unless they do not need a licence by law);
 - used in or on restricted areas of airports or airfields. We will not pay for any claim concerning an aircraft within the boundary of the airport or airfield; or
 - used to carry any load which is more than it was constructed to carry and more than the specified maximum capacity.
2. Any liability, loss or damage that is also covered by any other insurance.
3. Any liability, loss or damage that occurs outside the United Kingdom (apart from the minimum cover provided by section 1) unless you have paid an extra premium to extend your cover. (See section 4 - Foreign use.)
4. Any liability you have accepted under an agreement or contract unless you would have had that liability anyway.
5. Any result of war, invasion, act of foreign enemy, hostilities (whether war is declared or not), civil war, rebellion, revolution, or military or usurped power (except where we need to provide cover to meet the minimum insurance required by the relevant law).
6. Direct or indirect loss, damage or liability caused by, contributed to or arising from:
 - earthquake;
 - riot or civil commotion occurring in Northern Ireland or outside the United Kingdom, (except where we need to provide cover to meet the minimum insurance required by the relevant law);

General exceptions (continued)

- ionising radiation or contamination from any radioactive nuclear fuel, or from any nuclear waste from burning nuclear fuel;
 - the radioactive, toxic, explosive or other dangerous property of any explosive nuclear assembly or nuclear part of that assembly;
 - carrying any dangerous substances or goods which you need a licence from the relevant authority for (except where we need to provide cover to meet the minimum insurance required by the relevant law); or
 - pressure waves caused by aircraft and other flying objects.
7. Any proceedings brought against you, or judgment passed in any court outside the United Kingdom, unless the proceedings or judgment arises out of your vehicle being used in a foreign country which we have agreed to extend this insurance to cover.
8. Any liability, (except where we need to provide the minimum level of cover needed by law), for claims for death, injury, illness, or loss or damage arising directly or indirectly from pollution or contamination.
- This exception:
- relates to contamination or pollution caused directly or indirectly by the discharge or leaking of any substance, liquid, vapour or gas; and
 - includes contamination or pollution of any building or other structure, water, land or the air.
- We will not pay for claims arising directly or indirectly from contamination or pollution where it is caused by any substance, liquid, vapour or gas being deliberately discharged or leaks caused by the failure to maintain or repair your vehicle, or any part of it.
9. Any liability loss or damage arising directly or indirectly from acts of terrorism, as defined in the UK Terrorism Act 2000, except where we need to provide the minimum insurance required by the Road Traffic Act.

Guidance notes

Accident, injury, loss, damage, indirect loss or legal liability occurring as a result of the items specified opposite are not covered.

We will not cover proceedings brought or judgments passed in any court abroad unless we have agreed to extend this insurance to cover that country.

We will not be liable for claims for death, injury, illness, or loss or damage to property arising directly or indirectly from pollution or contamination.

Guidance notes

This part describes certain responsibilities and procedures.

The insurance only covers any person who meets these conditions. The information given to us in the proposal form, declaration or statement of insurance (which is the basis of this contract) must be true and complete, to the best of your knowledge.

We will not pay a claim which is false, fraudulent or exaggerated.

The procedure for reporting accidents and losses to us.

- Report any incident to us as soon as possible.
- Immediately advise us as soon as you become aware of any court proceedings, inquest or inquiry.

No one may admit any liability or negotiate any claim without our written permission.

Your vehicle must be kept in an efficient and roadworthy condition and be protected from loss or damage.

General conditions

1. We will only provide the cover described in this insurance if:
 - anyone claiming protection has met all the conditions in this document; and
 - the information you gave on your proposal form, declaration or statement of insurance is, as far as you know, correct and complete.
2. Your premium is based on the information you supplied at the start of the insurance and when it is renewed. If you have failed to provide us with complete and accurate information, this could lead to your claim being denied or the insurance not being valid.
3. If a claim is made which you or anyone acting on your behalf knows is false, fraudulent or exaggerated, we will not pay the claim and cover under this insurance will end. If you or anyone acting on your behalf provides false or stolen documentation in support of a claim, we will not pay the claim and this insurance will end.
4. After any loss, damage or accident you must give us full details of the incident, in writing as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must not admit to, negotiate on or refuse any claim unless you have permission from us.
5. All reasonable steps must be taken to safeguard your vehicle from loss or damage and to maintain it in an efficient and roadworthy condition.

We must be allowed to examine your vehicle at any reasonable time.

General conditions (continued)

6. If, under the law of any country which this insurance covers you in, we must settle a claim which we would not otherwise have paid, we may recover this amount from you or from the person who made the claim.
7. We can:
- take over, conduct, defend or settle any claim; and
 - take proceedings, at our own expense and for our own benefit, to recover any payment we have made under this insurance.
- We will take this action in your name or in the name of anyone else covered by this insurance. You, or the person whose name we use must co-operate with us on any matter which affects this insurance.
8. If we accept your claim, but disagree with the amount due to you, the matter will be passed to an arbitrator who we both agree to. When this happens, the arbitrator must make a decision before you can start proceedings against us.
9. We or your intermediary may cancel this insurance by sending seven days' notice, in writing, to your last known address (and in the case of Northern Ireland to the Department of the Environment, Northern Ireland). We will refund the part of your premium which applies to the remaining period of the insurance. We will send this refund to your insurance adviser.
10. You may cancel this insurance at any time by telling us in writing and sending back your certificate of motor insurance and the schedule. If you have not made any claim in the current period of insurance, we will work out the charge for the time you have been covered by your insurance (using our short-period rates shown below) to the date we receive your certificate. We will then refund any amount we owe you to your insurance adviser. If a claim has been made, we will not give you a refund

Period you have had cover for	up to 1 week	up to 1 month	up to 2 months	up to 3 months	up to 4 months	up to 6 months	up to 8 months	Over 8 months
Percentage of annual premium covering that period	15%	25%	30%	50%	60%	75%	90%	Full Premium
Percentage of refund	85%	75%	70%	50%	40%	25%	10%	Nil

Guidance notes

We may recover our expenses if we have to pay a claim which this insurance would not normally cover.

Once you have asked us to deal with a claim under this insurance, we have the right to conduct the negotiations as we see fit.

When we accept a claim but we disagree over the amount we will pay, the matter will be referred to an arbitrator for a decision. A decision must be made before you can take any legal action against us.

We may cancel the insurance giving you seven days' notice in writing. If we do so, you are entitled to a refund of part of your premium.

You may cancel this insurance and be entitled to a refund if you have not made a claim and you return the certificate.

Guidance notes

We may, at any time, pay you the maximum amount in respect of claims for property damage under section 1, if there are a number of claims arising out of any one cause.

If you pay your premium by instalments, each instalment must be received on or before the date it is due. If it is not, your cover will be reduced to the minimum needed under the Road Traffic Act. If the unpaid instalment is not paid when asked for the second time, we will cancel the remaining cover.

General conditions (continued)

11. If there are a number of claims for property damage arising out of any one cause, we may, at any time, pay you up to the maximum amount payable under section 1. (We will deduct from this amount any sums already paid as compensation.) On paying this amount, we will withdraw from any further action connected with the settlement of these claims.

We will pay any legal costs and expenses incurred with our consent, up to the time we withdraw from dealing with the claims.

12. If you have agreed to pay your premium under the Equity Red Star instalment plan, the following will apply.

■ If you do not pay an instalment at renewal -

If you do not pay the instalment due at renewal all cover under this contract will end from that date. You must then return your certificate of motor insurance to us.

■ If you do not pay your instalment at any other time -

If you do not pay an instalment when it is due, we may refuse to pay any claim arising from an event which happens on or after that date. If you do not pay a previously unpaid instalment when we ask a second time, we will cancel this contract from the due date of the first unpaid instalment. All cover under this contract will end and you must return your certificate of motor insurance to us.

■ If your vehicle is written off before you have paid all your instalments, and we agree to pay your claim, the amount you owe for the year's premium will be taken from the claim payment.

■ If any extra premium is needed during the period of insurance, it will be spread out over the remaining instalments due for that year. If you have already paid all your instalments, you must immediately pay any extra premium when it is due.

13. **Your right to change your mind**

If this insurance does not meet your needs, you may cancel this insurance by sending written notice and returning your documents, including the certificate of insurance, within 14 days of receiving it. As long as your vehicle has not been written off as the result of a claim under this insurance, we will return any premium, less a charge equal to the period of cover you have had. However, this charge will be at least £25 plus Insurance Premium Tax (IPT).

Important notice

You must tell us as soon as possible about any changes which affect your insurance and which have occurred since the insurance started or since the last renewal date. If you are not sure whether certain facts are relevant, please ask your insurance adviser or Equity Red Star office. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about.

- All changes you, or anyone else, make to the vehicle if these make the vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic).
- A change of address.
- A change of job, including any part-time work by you or other drivers, a change in the type of business or having no work.
- A change in the purpose which you use the vehicle for.
- A new main user of the vehicle.
- Details of any driver who you have not told us about before or who is excluded by the certificate of motor insurance or an endorsement but who you now want to drive.
- Details of any motoring convictions, disqualifications or fixed penalties of any person allowed to drive or of any future prosecutions for any motoring offence.
- Details of any accident or loss (whether or not you make a claim) which involves your vehicle or which occurs while you are driving anyone else's vehicle.
- Details if you or any other person allowed to drive your vehicle suffers from a notifiable condition not notified to DVLA or any condition for which DVLA have restricted the licence.

Guidance notes

You have a duty to let us have full details of any change which affects your insurance.

You should keep a written record (including copies of letters) of any information you give us, or your insurance adviser.

You should tell us about the changes shown opposite.

Important: you should immediately write and tell us about any accident.

Vehicle breakdown and recovery service

Your insurance is extended to provide a breakdown and recovery service, if your vehicle breaks down during the course of a journey. **Cover will only apply to the insured vehicle, which must be a minibus.**

We will provide this cover for any breakdown occurring during the period of insurance and within the mainland of England, Scotland, Wales and Northern Ireland.

A breakdown will include a mechanical or electrical breakdown (failures or breakages), flat batteries, punctures, lack of fuel, lost ignition keys, or damage which is caused by an accident, vandalism, fire or theft and results in you not being able to drive the vehicle.

The following services will apply should your vehicle break down during the course of a journey and more than one mile from your home.

Roadside assistance

We will arrange assistance at the scene of the breakdown, and will arrange and pay for call-out fees and labour charges needed to start your vehicle.

Recovery

If the vehicle cannot be repaired quickly at the scene of the breakdown, we will arrange and pay the reasonable cost of taking the vehicle, you and up to 16 passengers from the place where the vehicle has broken down to any one place you choose.

Home breakdowns

If the vehicle breaks down at your home or within one mile of your home, we will arrange help and pay call-out fees and labour charges needed to start the vehicle. If the vehicle cannot be repaired quickly at the scene of the breakdown, we will pay the reasonable cost of taking the vehicle to the nearest available garage.

Motoring assistance in Europe

We will only provide the following cover and benefits if we have also agreed to give cover for your trip under section 4 of this document (Foreign use).

Please read the details carefully to make sure that you are fully covered, and remember to follow any rules and procedures laid down which apply to servicing the vehicle and making a claim. (See conditions which apply to breakdown recovery 1 and 2 on page 30.)

The Insurance will provide the benefits described below if your vehicle breaks down and cannot be driven as a result of a mechanical or electrical breakdown (failures or breakages) or damage which is caused by an accident, vandalism, fire or theft and results in you not being able to drive the vehicle. This breakdown must happen within one of the following countries - Austria, Andorra, Belgium, Czech Republic, Denmark, France, Germany, Greece, Republic of Ireland, Italy, Liechtenstein, Luxembourg, Monaco, Netherlands, Norway, Portugal, Slovak Republic, Spain, Sweden, Switzerland.

This is not a maintenance policy and so does not cover the cost of parts or the cost of non-emergency repair work, such as routine servicing or diagnostic tuning.

Breakdown benefits in Europe

You will have cover for the following.

1. Any costs you have to pay to arrange immediate emergency roadside help following a breakdown. The most we will pay will be £175 in any one travel period. (The cost of replacement parts will not be covered.) If the vehicle cannot be repaired quickly at the scene of the breakdown, we will arrange and pay the reasonable cost of taking the vehicle, you and up to 16 passengers, to a nearby garage for it to be repaired at your cost.
2. If the vehicle is out of use for more than 12 hours as a result of a breakdown or due to death, serious injury or serious illness of the only available driver, we will refund the following costs and expenses as long as they are a direct result of the breakdown or illness and are paid immediately after the breakdown.
 - a) The cost of taking the vehicle to the nearest garage or railway.
 - b) Freight costs to get any replacement part which is not available locally.
 - c) The cost of one of the following.
 - Hiring one replacement vehicle - up to £70 per day and £750 in total.
 - Hiring one chauffeur if the only available driver in your party is seriously ill - up to £100 per day and £500 in total.
 - Second-class rail fares so that you and your party can finish your journey or return home - up to £750 in total.
 - Extra hotel accommodation costs for you and each member of your party - up to £25 for each person each day during the journey to and from the holiday location up to £400 in total. (We will not pay any amount for meals or drinks.)

- d) The cost of taking the vehicle to your home if it cannot be repaired before your planned return date and the costs you have to pay to travel from your home or holiday location to the scene of the breakdown to collect the vehicle after it is repaired. (We will not pay more than economy-class airfare plus other minor expenses of no more than £50).

Exceptions to benefits

1. This insurance does not cover:
 - breakdowns due to lack of oil, water or frost damage;
 - the cost of any repair (apart from repairs covered under benefit 1);
 - expenses arising from ordering incorrect replacement parts and this was due to you providing not enough or wrong information; or
 - the cost of returning hired vehicles to the hire company.
2. If the vehicle suffers damage and is considered to be a write-off (the cost of repairs are greater than the value of the vehicle) benefit 2 (d) will not apply.

Emergency service in Europe

While we hope that you will not experience any problems during your travel period, if your vehicle breaks down, you can get help by calling the 24-hour English-speaking emergency phone service. Try to call from a place where it is easy to call you back.

We always try to provide a similar minibus so you can transport your passengers. However, it is not always possible to provide an automatic hire vehicle or one with accessories such as bike racks, luggage racks or tow bars. In Europe your call will be handled by:

Europ Assistance, (Nederlands)
PO Box 9230 6800 km Arnhem, The Netherlands.
Their emergency 24-hour telephone number is 00 31 26 355 3344.
They have a European Freefone number 00 800 999 00 999.
