- It was left with the keys (or any form of keyless entry / ignition control device), in or on it or

Your policy schedule provides details of any special cover, excesses, endorsements and/or exclusions which may apply to your policy.

Section 1 – Liability to others

Driving your vehicle

We will provide insurance for any accident you have while you are driving, using or in charge of your vehicle or while you are loading or unloading it.

We will insure you for all amounts you may legally have to pay for causing death or injury to other people.

The most we will pay for property damage is £20,000,000 for any claim or claims arising out of one incident.

We will pay up to £5,000,000 for any costs and expenses arising out of a claim or claims arising from one incident.

If there is a property damage claim made against more than one person covered by this insurance, we will first deal with any claim made against you.

Other people driving or using your vehicle

In the same way you are insured, we will also cover the following people:

- Any person you allow to drive or use your vehicle, as long as this is allowed by your current certificate of motor insurance and has not been excluded by an endorsement, exception or condition
- Any passenger who has an accident while travelling in or getting into or out of the insured vehicle, as long as you ask us to cover the passenger

Legal personal representatives

After the death of anyone who is covered by this insurance, we will deal with any claim made against that person's estate, as long as the claim is covered by this insurance.

Legal costs

In respect of any event which is covered under this section, if we first agree in writing, we will arrange and pay:

- Solicitor's costs if anyone we insure is represented at a coroner's inquest, fatal accident inquiry or court of summary jurisdiction
- The costs for legal services to defend anyone we insure against any prosecution arising from any death
- All other legal costs and expenses we agree to

The most we will pay for the legal costs is £35,000 for any claim or claims arising out of one incident.

Emergency medical treatment

Where we must provide cover under the Road Traffic Act, we will pay for emergency medical treatment that is needed after an accident involving any vehicle which this insurance covers.

This cover only applies in the United Kingdom and where we must provide it under the Road Traffic Acts.

Exceptions to Section 1

This section of your insurance does not cover the following:

1. Anyone who can claim for the same loss from any other insurance
2. Loss of or damage to property belonging to (or in the care of) anyone we insure and who is making a claim under this part of the insurance
3. Death of or bodily injury to any person arising out of and in the course of their employment by the policyholder or by any other person claiming under this insurance. This does not apply if we need to provide cover due to the requirements of relevant laws
4. Any legal responsibility, unless we need to provide the minimum insurance required by the Road Traffic Act, for claims for death, injury, illness, loss or damage to property arising directly or indirectly from pollution or contamination unless caused by a sudden identifiable unintended and unexpected event

This exception:

- Relates to contamination or pollution caused directly or indirectly by any substance, liquid, vapour or gas leaking or being released and
- Includes contamination or pollution of any building or other structure, water, land or the air

We will not pay for claims arising directly or indirectly from contamination or pollution if it is caused by any substance, liquid, vapour or gas being deliberately released or leaks caused by the failure to maintain or repair your vehicle, or any part of it.

5. Death, bodily injury or damage arising as a result of loading or unloading your vehicle somewhere other than on the road by anyone apart from the driver or attendant

Section 2 – Loss of or damage to your vehicle

This cover only applies to your vehicle

We will insure your vehicle against loss or damage (less any excess that applies) caused by:

- Accidental or malicious damage, flood damage or vandalism
- Fire, lightning, self-ignition and explosion or
- Theft or attempted theft, or taking your vehicle away without your permission

For a claim under this section we will, at our absolute discretion, either:

- Pay for the damage to be repaired
- Pay an amount of cash to replace the lost or damaged item or
- Replace the lost or damaged item

The most we will pay will be either:

- The UK mainland market value of your vehicle as determined by us, immediately before the loss; up to the value shown on your schedule or
- The amount it would cost us to repair your vehicle at an ERS approved repairer or as otherwise agreed by our appointed engineer

Whichever is less.

We will not pay the cost of any repair or replacement which improves your vehicle or accessories to a better condition than they were in before the loss or damage. If this happens, you must make a contribution towards the cost of repair or replacement.

We will not pay the VAT element of any claim if you are registered for VAT.

Excesses

If an excess is shown on your schedule, you have agreed to pay that amount for each incident of loss or damage.

If more than one vehicle is insured on your policy and they are involved in the same incident, the excess shown on your schedule will apply to each vehicle separately.

If you choose to use a non-approved repairer, you will have to pay an additional excess amount of £250. This is on top of any other excess that you may have to pay.

Recovery and redelivery

After any claim under this section we will pay the cost of moving your vehicle from the place where the damage happened to the premises of the nearest competent repairer. We will also pay the cost of delivering your vehicle back to you in the United Kingdom after repair.

Do not try to move your vehicle yourself if this could increase the damage. If unnecessary damage is caused as a result of your attempts to move your vehicle, we will not pay any extra cost arising from that damage.

All arrangements for storage of a damaged vehicle must be agreed by us. If you arrange storage without our prior knowledge and consent we will not pay any extra cost arising from that arrangement where this is greater than the cost we negotiate with our approved supplier.

Repairs

If your vehicle is damaged in any way which is covered by this insurance, you should contact us immediately. We can, if you wish, organise for our approved repairers to repair your vehicle.

When using our approved repairer for the repair of your vehicle, and your vehicle does not exceed 3.5 tonne gross vehicle weight our approved repairer will:

- Guarantee the repairs for 5 years
- Endeavour to use original equipment manufacturer parts/equipment where feasible
- Upon request and subject to availability, supply you with a courtesy car for the duration of the vehicle repair or until your policy expires, whichever is the sooner

If your vehicle cannot be driven safely, you should allow us the opportunity of moving it to the premises of an approved repairer or repairer of your choice if previously agreed by us.

If repairs are completed without our prior knowledge and consent this may affect the amount we pay in final settlement of your claim. In all circumstances, anyone conducting repairs to an insured vehicle should retain the following for our inspection:

- A fully costed estimate
- All damaged parts and
- Images of the damaged areas of the insured vehicle

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under this Section.

If you choose to not use our approved repairer, we will not:

- Be responsible for any delays incurred by the repairer
- Guarantee the provision of a courtesy car
- Guarantee the repairs
- Guarantee the use of original equipment manufacturer paint/parts

We may arrange for your vehicle to go to a repairer of our choice if we cannot reach an agreement with your chosen repairer over costs.

It is not our policy to use recycled or non-original parts and equipment when repairing your vehicle, although on occasion it may be necessary.

Guaranteed Courtesy Car (Comprehensive cover only)

If you make a claim under this section and you choose to use our approved repairers, you will be provided with a guaranteed courtesy car for the duration of the repairs or until your policy expires, whichever is sooner.

If your vehicle is classed as immobile (unable to be moved), we aim to provide you with a courtesy car within 24 hours of the claim being reported.

The vehicle provided is intended to keep you mobile and will not necessarily be a like-for-like replacement of your vehicle. You will be provided with either a small, standard private car or small car-derived van.

All courtesy cars are subject to the driver meeting the terms and conditions of hire from the approved repairer.

If your vehicle is a total loss you will not be offered a courtesy car.

Total loss (write-off)

When deciding whether your vehicle is a total loss, we use the Association of British Insurers (ABI) Code of Practice for the Disposal of Motor Vehicle Salvage.

We alone will determine:

- When an insured vehicle is deemed a total loss
- The market value of the insured vehicle, and where applicable
- Any salvage value of that insured vehicle

In the event that we deem your vehicle a total loss, due to it being uneconomical to repair or subject to an unrecovered theft, we will, unless you qualify for a new replacement car benefit, offer an amount in settlement of the claim.

The insurance cover for that insured vehicle will end when you accept that offer.

You will not receive a refund of premium if your insurance ends due to the total loss of your vehicle.

If your insurance covers more than one vehicle, cover will remain in force for any vehicles that have not been declared a total loss.

If the insured vehicle is owned by someone else, we will discuss the valuation and payments directly with the vehicle owner rather than with you.

When we determine the value of the insured vehicle, we will take into account any discount on the manufacturer's recommended retail price received at the point of purchase.

Our offer will not exceed the amount shown on schedule.

Once we have made a payment, the insured vehicle becomes our property unless we agree otherwise.

Vehicles subject to a finance agreement

If the market value we place upon the insured vehicle is equal to or greater than the amount owed to the finance company.

We may pay the finance company first and then settle the balance with the legal owner of the insured vehicle.

If the market value placed upon the insured vehicle is less than the amount owed to the finance company.

We may pay the finance company the market value of the insured vehicle. You may be required by the finance company to pay them the balance, subject to the terms of your agreement with them.

Vehicles subject to a lease / hire agreement – no legal right to title

If the market value we place upon the insured vehicle is greater than the amount owed to the lease / hire company, we will pay them only the amount of the outstanding finance, which will settle the claim in full.

If the market value we place upon the insured vehicle is less than the amount owed, the amount we pay to the lease / hire company will settle the claim, and you may be required by the lease / hire company to pay them the balance, subject to the terms of your agreement with them.

Vehicles subject to a lease / hire agreement – legal right to title or proceeds of sale

We will pay the lease / hire company the market value of the vehicle, which will settle the claim in full. Any transfer of legal title or distribution of the proceeds of the vehicle should be taken up directly with the lease / hire company in line with the specific terms of your agreement.

Salvage

Where applicable, your vehicle will have a salvage category placed upon it, in line with the ABI Code of Practice.

Only vehicles deemed eligible to go back on the road can be considered for retention. If retention is granted, the value of the salvage, as determined by us, will be deducted from the settlement.

At the point of payment the vehicle will become our property unless we agree otherwise.

If your vehicle has been subject to an insurance write off (total loss), you must be able to evidence the vehicle has been restored to a roadworthy condition.

In the event of the insured vehicle being subject to another claim, we will require documentary evidence of repairs and other documentation as we may require, to evidence, and to satisfy us, that the insured vehicle has been maintained in a roadworthy condition, otherwise the valuation will be affected.

If we ask, you must send us your vehicle registration document (V5c), MOT certificate (if applicable), the purchase receipt for the vehicle, all keys and any other relevant documentation before we agree to settle the claim.

New car replacement

Please note: this section DOES NOT apply if you are NOT the registered owner and keeper of the insured vehicle.

We will replace your car with a new one of the same make, model and specification (if one is available) if your car is less than one year old from the date of you buying it new and:

- The cost of repairing any damage (that is covered by this insurance) is more than 50% of the manufacturer's recommended retail price (including taxes) or
- It is lost by theft or is stolen and not recovered

If a car is not available, we will pay an amount equal to that which was paid when you bought your vehicle or the current manufacturer's Recommended Retail Price (including taxes), whichever is less. The lost or damaged car will then belong to us.

We will only provide this benefit if you ask for it and anyone who has a financial interest in the car agrees.

Audio, visual, communication, guidance or tracking equipment

Please note: this section DOES NOT apply if you are NOT the registered owner and keeper of the insured vehicle.

The cover provided by this policy includes loss of, or damage to, permanently fitted audio, visual, communication, guidance or tracking equipment that formed part of your vehicle when it was originally made.

We will pay up to £500 for any permanently fitted equipment that was not part of your vehicle when it was originally made.

When your vehicle is being serviced

The cover provided under this section will still apply when your vehicle is being serviced or repaired. While your vehicle is in the hands of the motor trade for a service or repair, we ignore any restrictions on driving or use (as shown on your certificate of motor insurance).

Exceptions to Section 2

This section of your insurance does not cover the following:

1. The amount of any excess shown on your schedule
2. Any amount as compensation for you not being able to use your vehicle (including the cost of hiring another vehicle)
3. Wear and tear
4. Failures, breakdowns or breakages of mechanical, electrical, electronic or computer equipment
5. Your vehicle's value reducing, including loss of value as a result of damage, whether the damage is repaired or not

7. Damage to tyres, unless caused by an accident to your vehicle
8. Damage due to liquid freezing in the cooling system, unless you have taken reasonable precautions as laid down by the vehicle manufacturer's instructions
9. Loss of or damage to accessories unless they are permanently attached to your vehicle
10. Any amount over the last-known list price of any part or accessory or the cost of fitting any part or accessory if the vehicle manufacturer or its agent cannot supply it from stock held in the United Kingdom. (This exception does not apply where any applicable part or accessory is no longer commercially available from the vehicle manufacturer or their agents in the United Kingdom)
11. Loss of or damage to your vehicle as a result of deception
12. Loss resulting from repossessing your vehicle and returning it to its rightful owner
13. Loss of or damage to your vehicle or its contents by theft or attempted theft or an unauthorised person taking and driving it if:
 - It has been left unlocked
 - It has been left with the keys (or any form of keyless entry / ignition control device), in it or on it
 - It has been left with the windows, roof panel or the roof of a convertible vehicle open or
 - You have not taken reasonable precautions to protect it
14. Loss of or damage to your vehicle resulting from an unnamed co-driver, member of your immediate family, or a person living in your home, taking your vehicle without your permission, unless that person is convicted of theft
15. Loss of or damage to any vehicle which you are driving or using that does not belong to you, is not being bought by you under a hire-purchase agreement or is leased to you (unless that vehicle is shown on your schedule)
16. Loss of or damage to your vehicle caused by an inappropriate type or grade of fuel being used
17. Loss of fuel
18. Loss or damage due to confiscation, requisition or destruction by or under the order of any government, public or local authority

You may claim for damage to your vehicle's windscreen or windows and for any bodywork scratched by broken glass from the window or windscreen. The helpline number is 0345 602 3378.

This benefit does not apply to damaged sun roofs, roof panels, lights or reflectors whether glass or plastic.

- If your windscreen is repaired by our approved supplier, you must pay the first £10 of any claim
- If your windscreen is repaired or replaced by any other company, you must pay the first £125 of any claim

If the only claim you make is for broken glass in your vehicle's windscreen or windows, including bodywork scratched by the breakage, it will not affect your no claim bonus.

Section 4 – Medical expenses

Please note: this section DOES NOT apply if you are NOT the registered owner and keeper of the insured vehicle.

We will pay up to £500 for each person for the medical expenses of anyone who is injured while they are in your vehicle as a result of an accident involving your vehicle.

- Have happened when you or your husband, wife or civil partner were travelling in, or getting into or out of, any other private motor vehicle

We will make the payment to you or your legal personal representative.

Your responsibilities

Your premium is based on the information you gave at the start of the insurance and when it is renewed.

You are responsible for the information you or your appointed representative has provided to us. You should ensure that the information provided is, as far as you know, correct and complete.

If you have failed to give us complete and accurate information, this could lead to us changing the terms of your policy, refusing your claim or the insurance not being valid.

You must, if requested, provide us with all relevant information and documentation in relation to this insurance.

The vehicle must have an MOT (unless exempt), be taxed (unless exempt), insured and registered in the UK and you must:

- Take all reasonable steps to protect your vehicle from loss or damage
- Maintain your vehicle in a roadworthy condition and
- Let us examine your vehicle at any reasonable time

If the above requirements are not met, we may reject or reduce your claim, and/or cancel your policy or declare your policy null and void.

Changes to your details

You must tell us immediately about any changes to the information you have already provided. Please contact your broker if you are not sure if information is relevant. If you don't tell us about relevant changes, your insurance may not cover you fully, or at all.

Here are some examples of the changes you should tell us about:

- A change of vehicle (including extra vehicles and any temporary vehicles)
- All changes you or anyone else make to your vehicle if these make your vehicle different from the manufacturer's standard specification (whether the changes are mechanical or cosmetic)
- A change of address
- A change of job, including any part-time work by your named drivers, a change in the type of business or having no work
- A change in the purpose for which you use your vehicle
- A new main user of your vehicle
- Details of any driver you have not told us about before, or who is not specifically entitled to drive by the certificate of motor insurance or is excluded by an endorsement, but who you now want to drive
- Details of any motoring conviction, disqualification or fixed-penalty motoring offence of any person allowed to drive or of any prosecution pending (where a case is being investigated but there is no conviction yet) for any motor offence
- Details of any non-motoring conviction or prosecution pending (where a case is being investigated but there is no conviction yet) for any person allowed to drive

Claim notification

After any loss, damage or accident you must give us full details of the incident as soon as possible.

You must send every communication about a claim (including any writ or summons) to us without delay and unanswered. You must also tell us if you know about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this insurance.

You must give us any information, documentation and help we need to help us deal with your claim. We will only ask for this if it is relevant to your claim.

You must notify us of a claim at the earliest opportunity of it occurring. If you fail to comply with this section, or otherwise prejudice our position, we reserve the right to seek recovery of any additional costs incurred due to your action or failure to act.

Claim requirements – rights and obligations

If a claim is made which you or anyone acting on your behalf knows is false, fraudulent, exaggerated, or provides false or stolen documents to support a claim we will not pay the claim and cover under this insurance will end.

If there are a number of claims for property damage arising out of any one cause, we may pay you up to the maximum amount due under Section 1. (We will take from this amount any amounts we have already paid as compensation.) When we pay this amount, we will withdraw from any further action connected with settling these claims. We will cover any legal costs and expenses paid with our permission, up to the time we withdraw from dealing with the claims.

You must not admit to, negotiate on or refuse any claim unless you have our permission.

We can:

- Take-over, carry out, defend or settle any claim and
- Take proceedings (which we will pay for, and for our own benefit) to recover any payment we have made under this insurance

We will take this action in your name or in the name of anyone else covered by this insurance.

You, or the person whose name we use, must co-operate with us on any matter which affects this insurance.

If we refuse to provide cover because you have failed to provide information or provided incorrect information, but we have a legal responsibility to pay a claim under the Road Traffic Acts, we can settle the claim or judgment without affecting our position under this policy. We can recover any payments that we make from you.

If you fail to provide all requested information, documentation and evidence of claim damage, we reserve the right not to pay for damages under Section 2 of this policy document.

Compulsory Insurance laws

If we are required to settle a claim in order to comply with the law applying to any country in which this policy operates, and which we would not otherwise be required to pay because of a breach of policy conditions, we shall be entitled to recover the amount paid and any associated costs, from either yourself or the person who incurred the liability.

Arbitration

If we accept your claim, but disagree with the claim amount, the matter will be passed to an independent arbitrator (to whom we must both agree). When this happens, the arbitrator must make a decision before you can start proceedings against us.

Important notices and information

Data Protection Notice

This section contains important information about your personal details. Please make sure to show it to anyone covered by the policy and ensure they are aware that their personal details may be provided to us.

ERS Syndicate Management Limited is the data controller in respect of your personal information. We will process the details you have given us in line with the UK's Data Protection laws and any other laws that apply. We may work with partner organisations and service providers who are located in other countries, and as a result your information may be processed outside the European Economic Area. In all cases we will make sure that your information is adequately protected. Any transfers of personal information outside Europe will be subject to the provisions of the US Privacy Shield, standard contractual clauses approved by the European Commission or other contracts which provide equivalent protection.

You can find more information about how we use your personal information on our website: www.ers.com/policy-pages/privacy-policy

Where we collect your personal information

We might collect personal information about you from:

- Other companies in the insurance market
- Anti-fraud databases, sanction lists, court judgement and similar databases
- Government agencies such as the DVLA and HMRC
- The publicly available electoral register
- In the event of a claim, third parties including the other party to the claim, witnesses, experts, loss adjusters, legal advisers and claims handlers

How we use and disclose your personal information

To assess the terms of your insurance contract, or to deal with any claims, we may need to share information like your name, address, date of birth and details such as medical conditions or criminal convictions. The recipients of this information could include (but are not limited to) credit reference agencies, anti-fraud databases, brokers / reinsurance brokers, other insurers / reinsurers, underwriters and other group companies who provide administration or support services. For claims handling, the recipients could include (but are not limited to) external claims handlers, loss adjusters, legal and other expert advisers, and third parties who are involved in the claim. More information about these disclosures is set out below.

ERS purchases reinsurance to protect against the most significant claims made against motor insurance policies issued. Should such a claim arise under this contract of insurance, ERS reserves the right to disclose to its reinsurance broker and reinsurers, the details of the claim, including all personal and special category data related to the claim. That disclosure is necessary for the management of any reinsurance claim made by ERS and this practice of spreading risk is standard practice in the insurance market.

The Data Protection laws classify information about your medical conditions, disabilities and criminal convictions as 'special category' personal data which warrants extra protection. We will only share this kind of personal data where it is essential to administer your insurance contract or deal with any claims, or for anti-fraud purposes and will only be used in accordance with appropriate laws and regulations.

Most of the personal information you provide to us is needed for us to assess your request for insurance, to enter into the insurance contract with you and then to administer that contract. Some of the information is collected for fraud prevention purposes, as described below. If we need your consent to use any specific information, we will make that clear at the time we collect the information from you. You are free to withhold your consent or withdraw it at any time, but if you do so it may impact upon our ability to provide insurance or pay claims. Further details about the legal basis for our processing of personal information, and the disclosure we may make, can be found on our website: www.ers.com/policy-pages/privacy-policy

Accepting and administering your policy

If you pay your premiums via a credit facility, we may share your information with credit reference agencies and other companies for use in credit decisions, to prevent fraud and to find people who owe money. We share information with other insurers, certain government organisations and other authorised organisations.

Insurance underwriting

We look at the possible risk in relation to your prospective policy (or anyone else involved in the policy) so that we can:

- Consider whether to accept a risk
- Make decisions about providing and dealing with insurance and other related services for you and members of your household
- Set price levels for your policy
- Confirm your identity to prevent money laundering
- Check the claims history for you or any person or property likely to be involved in the policy or a claim at any time. We may do this:
 - When you apply for insurance
 - If there is an accident or a claim or
 - At the time you renew your policy

Profiling

When calculating insurance premiums, we may compare your personal details against industry averages. Your personal information may also be used to create the industry averages going forwards. This is known as profiling and is used to ensure premiums reflect risk. Profiling may also be used to assess the information you provide so we can understand risk patterns.

Special categories of personal data may be used for profiling where this is relevant, such as medical history or past motoring convictions (including motoring offences).

We may also make some decisions (for example about whether to offer cover or what the premiums will be) without any intervention by our staff. These are known as automated decisions. You can find out more about how we make these decisions on our website: www.ers.com/policy-pages/privacy-policy. See also “Your Rights” below.

Motor Insurance Database (MID)

Information about your insurance policy will be added to the Motor Insurance Database (MID) which is managed by the Motor Insurers’ Bureau (MIB). Certain government or authorised organisations including the Police, DVLA, DVLNI, Insurance Fraud Bureau and other organisations allowed by law may use the MID and the information stored on it for purposes including:

- Continuous Insurance Enforcement (you can get information about this from the Department of Transport)
- Electronic vehicle licensing
- Law enforcement for the purposes of preventing, detecting, catching or prosecution offenders and
- Providing government services or other services aimed at reducing the level of uninsured driving

If you are involved in a road-traffic accident (either in the UK, the EEA or certain other territories), insurers or the MIB (or both) may search the MID to gather relevant information. Anyone making a claim for a road-traffic accident (including their appointed representatives and citizens of other countries) may also gather relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is not shown correctly on the MID, you are at risk of having your vehicle seized by the police. You can check that your correct registration number details are shown on the MID at askmid.com.

Managing claims

If you make a claim, we may need to release information to another person or organisation involved in that claim. This includes, but is not restricted to, others involved in the incident, their insurer, their solicitor or representative and medical teams, authorised repairers, the police or other investigators. We also may have to investigate your claim and conviction history. This may involve external claims handlers, loss adjusters, legal and other expert advisers.

Under the conditions of your policy, you must tell us about any incident (such as an accident or theft) which may or may not result in a claim. When you tell us about an incident, we will pass information relating to it to Insurance Database Services Limited (IDSL).

Call recording

You should note that some telephone calls may be recorded or monitored, for example calls to or from our claims department, customer services team or underwriting department. Call recording and monitoring may be carried out for the following purposes:

- Training and quality control
- As evidence of conversations
- For the prevention or detection of crime (e.g. fraudulent claims)

Preventing or detecting fraud

We will check your information against a range of registers and databases for completeness and accuracy. We may also share your information with law enforcement agencies, other organisations and public bodies.

If we find that false or inaccurate information has been given to us, or we suspect fraud, we will take appropriate action. If fraud is identified, details will be passed to fraud prevention agencies including the Claims Underwriting Exchange Register and the Motor Insurance Anti-Fraud and Theft Register run by Insurance Database Services Limited (IDSL). Law enforcement agencies may access and use this information.

We and other organisations, including those from other countries, may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities
- Managing credit and credit related accounts or facilities
- Recovering debt
- Checking details on proposals and claims for all types of insurance
- Checking details of job applicants and employees

Details of the registers, databases and fraud prevention agencies we use may be requested from the Company Secretary at:

ERS Insurance Group Limited, 21 Lombard Street, London, EC3V 9AH

Cheat line

To protect our policyholders, we are members of the Insurance Fraud Bureau (IFB). If you suspect insurance fraud is being committed, you can call them on their confidential cheat line on 0800 422 0421.

Retention

We will keep your personal data only for as long as is necessary for the purpose for which it was collected. In particular, we will retain your information for as long as there is any possibility that either you or we may wish to bring a legal claim under or relating to your insurance, or where we are required to keep your information for legal or regulatory purposes.

Your rights

You have rights under the Data Protection laws including the right to access the information we hold about you (subject to any legal restrictions that may apply), to have the information corrected if it is inaccurate, and to have it updated if it is incomplete. In certain circumstances you may have the right to restrict or object to processing, to receive an electronic copy of your data (“data portability”) or to have your data deleted. You can also find out about any automated decisions we make that affect your insurance or premiums.

Financial Services Compensation Scheme (FSCS)

As we are members of the Financial Services Compensation Scheme (FSCS), you may be entitled to compensation under the scheme if we cannot pay out all valid claims under this insurance. This depends on the type of policy you have and the circumstances of the claim. The scheme will cover 90% of the claim with no upper limit. For types of insurance you must have by law (such as third party insurance for motor claims), the scheme will cover the whole claim. You can get more information about the scheme from the FSCS via:
