Your intermediary will be able to advise **You** of the applicable commission charge.

If **You** do not exercise your right to cancel **Your** policy it will continue in force and **You** will be required to pay the premium. For **Your** cancellation rights outside the statutory cooling off period, **You** may cancel **Your** policy in accordance with the conditions shown on page 24 of this document.

We will cover **You** under this section for accidental damage to **Your Motorcycle**, including its permanently fitted **Accessories** and spare parts whilst thereon, less any **Excess** which applies.

We will not pay under this section for damage more specifically covered under Section 4 of this insurance – Loss of or Damage to Your Motorcycle by Fire and Theft.

After repairs **We** will pay the reasonable costs of delivering it to **Your** address as shown in **The Schedule**.

If **We** are unable to reach agreement with the repairer over costs, **We** reserve the right to remove **The Insured Motorcycle** to another repairer of **Our** choice and **We** will notify **You** of this action.

We may, at **Our** option, decide to fit replacement parts which have not been made by the motorcycle's manufacturer but which are of a similar standard.

The maximum amount payable for any one incident will not exceed the **Market Value**, nor will it exceed the last estimated value (including **Accessories** and spare parts) declared to us, of **The Insured Motorcycle** at the date of the loss or damage. If settlement is made for the **Market Value** of **The Insured Motorcycle** the remains of **The Insured Motorcycle** will become **Our** property for disposal in accordance with the Association of British Insurers Motor Conference Code of Practice or any other regulation or legislation applying at the time of such loss.

If **Your Motorcycle** becomes a total loss and **We** make an offer of compensation, this insurance becomes void in respect of that motorcycle from the date of acceptance of that offer by **You** or **Your** legal personal representative(s). The **Certificate of Motor Insurance** must be surrendered before **We** pay any compensation. **We** reserve the right to decide if the insurance can continue on any replacement motorcycle.

Pending settlement of the claim, **We** reserve the right to move **Your Motorcycle** to a place of free storage in order to minimise any charges made for storage.

If **You** have a cherished or personal plate **You** wish to retain **You** must follow the procedure laid down by the Driver and Vehicle Licensing Agency (DVLA). This will include completion of the DVLA retention and transfer application forms and **You** will be responsible for the appropriate fee. If **We** are not notified IMMEDIATELY of the intention to retain the registration number **We** will proceed with the disposal of the vehicle salvage including the registration number (vehicle registration mark).

What We cover

We will cover **You** under this section for **Fire** (but excluding **Fire** started deliberately or **Fire** caused as a direct result of an **Accident**), lightning, self ignition, explosion, **Theft** or attempt thereof or the taking away of **Your Motorcycle** without **Your** consent, including its permanently fitted **Accessories** and spare parts whilst thereon, less any **Excess** which applies.

We will, at **Our** option, either:

- a) pay the reasonable cost of repairing any damage to **Your Motorcycle** within its **Market Value** or
- b) pay an amount in cash equivalent to the value of any loss or damage to **Your Motorcycle** or
- c) pay the cost of replacing **The Insured Motorcycle** or any part thereof which has been lost or damaged, with one of a similar type and in similar condition, the replaced item then becoming **Our** property.

If to **Our** knowledge **The Insured Motorcycle** is the subject of a hire or other credit purchase agreement, any cash payment shall be made to the legal owner described therein whose receipt shall be in full and final discharge to **Us**.

If **Your Motorcycle** is unrideable as a result of damage covered by this section of the policy, **We** will pay the reasonable cost of taking **Your Motorcycle** from the scene of the incident to the nearest suitable repairer. After repairs **We** will pay the reasonable costs of delivering it to **Your** address as shown in **The Schedule**.

If **We** are unable to reach agreement with the repairer over costs, **We** reserve the right to remove **The Insured Motorcycle** to another repairer of **Our** choice and **We** will notify **You** of this action.

We may, at **Our** option, decide to fit replacement parts which have not been made by the motorcycle's manufacturer but which are of a similar standard.

The maximum amount payable for any one incident will not exceed the **Market Value**, nor will it exceed the last estimated value (including **Accessories** and spare parts) declared to us, of **The Insured Motorcycle** at the date of the loss or damage. If settlement is made for the **Market Value** of **The Insured Motorcycle** the remains of **The Insured Motorcycle** will become **Our** property for disposal in accordance with the Association of British Insurers Motor Conference code of practice or any other regulation or legislation applying at the time of such loss.

If **Your Motorcycle** becomes a total loss and **We** make an offer of compensation, this insurance becomes void in respect of that motorcycle from the date of acceptance of that offer by **You** or **Your** legal personal representative(s). The **Certificate of Motor Insurance** must be surrendered before **We** pay any compensation. **We** reserve the right to decide if the insurance can continue on any replacement motorcycle.

Pending settlement of the claim, **We** reserve the right to move **Your Motorcycle** to a place of free storage in order to minimise any charges made for storage.

If **You** have a cherished or personal plate **You** wish to retain **You** must follow the procedure laid down by the Driver and Vehicle Licensing Agency (DVLA). This will include completion of the DVLA retention and transfer application forms and **You** will be responsible for the appropriate fee. If **You** intend to apply to retain the registration number **We** must be notified immediately and **We** will require the replacement vehicle registration mark as soon as it is provided to **You**. If **We** are not notified IMMEDIATELY of the intention to retain the registration number **We** will proceed with the disposal of the vehicle salvage including the registration number (vehicle registration mark).

8) Cancellation

8a. **Your** right to cancel

Following the expiry of your 14 day statutory cooling off period **You** continue to have the right to cancel this insurance at any time during its term. To do this, **You** must tell **Your** insurance intermediary through whom **You** arranged this insurance. Cancellation will take effect from the date **We** receive **Your** notice to cancel, or a date in the future that **You** have specified, but cannot be backdated. If **You** have not made any claims in the current **Period of Insurance** (or no incident having occurred which is likely to give rise to a claim), and **You** are not going to make a claim **We** will work out a charge for the time **You** have been covered using **Our** published short-period rates as shown below. **We** will refund any amount **We** owe **You**.

SHORT PERIOD RATES

Period of cover not exceeding	Percentage of premium returned including insurance premium tax
One month	80%
Two months	70%
Three months	60%
Four months	50%
Six months	30%
Eight months	10%
Over eight months	No refund allowed

Please note: A Minimum premium of £25.00 + insurance premium tax will apply.

8b. **Our** right to cancel

We (or **Your** insurance intermediary or Novitas), may cancel this insurance at any time by sending seven days written notice of cancellation to your last known postal address on **Our** records where there is an exceptional or valid reason for doing so.

Exceptional or valid reasons may include but are not limited to:

- **You** do not pay the premium or an instalment when **You** have been notified that the outstanding amount is required by a specific date.
- **You** or anyone else covered by this insurance has not met the terms and conditions in this document of motor insurance including those shown on **Your Schedule**.
- **You** have not provided the requested documentation e.g. evidence of **Your** current address, proof of no claims bonus or a copy of **Your** driving licence.
- A change in **Your** circumstances means that **We** can no longer provide cover.
- Where **We** identify misrepresentation or fraud or any attempt to gain an advantage under this insurance to which **You** are not entitled.
- Use of threatening or abusive behaviour or language or intimidation or bullying of **Our** staff or suppliers.

- If as a result of a claim under this insurance **You** have not co-operated with **Our** reasonable request for any documents and/or information, **We** may no longer wish to provide cover.

If **We/Your** insurance intermediary or Novitas cancel this insurance under this section **You** will be entitled to a proportionate return of premium, less a charge of £25.00 (plus Insurance Premium Tax) to cover the administrative costs of providing this policy, which will be sent to **Your** insurance intermediary. However, if the reason for cancellation is because

You have not paid the full premium, **We** will work out the refund using short period rates shown in 8a. above.

Any refund of premium will be subject to no claim having been made (or no incident having occurred which is likely to give rise to a claim).

If the reason for cancellation is fraud **We** are legally entitled to keep the premium under the Consumer Insurance (Disclosure and Representations) Act 2012.

Important Note: The Consumer Insurance (Disclosure and Representations) Act 2012 sets out situations where failure by a policyholder to provide complete and accurate information requested by an Insurer allows the Insurer to cancel the policy, sometimes back to its start date and to keep any premium paid.

Where **Our** investigations provide evidence of fraud or serious non-disclosure **We** may cancel this insurance immediately and backdate the cancellation to the date of the fraud or when **You** provided **Us** with incomplete or inaccurate information, which may result in **Your** policy being cancelled from the date **You** originally took it out.

9) **Personal Contract**

This insurance is a personal contract with **You** and is not transferable for any reason.

10) **Administration Charge**

We and/or Novitas Underwriting Agency Ltd reserve the right to apply an administration charge of £25.00 (subject to Insurance Premium Tax where applicable) for each mid-term amendment carried out on the insurance in addition to any premium adjustment that results. Further charges may be imposed by **Your** intermediary – details of same can be found within the Intermediaries' terms of business agreement with **You**.

11) **False Declaration/Fraud**

You must not act in a fraudulent manner. If **You** or anyone acting for **You**

- Make a claim under the Policy knowing the claim to be false or fraudulently exaggerated in any respect; or
- Make a statement in support of any claim knowing the statement to be false in any respect; or
- Submit a document in support of a claim knowing the document to be forged or false in any respect; or
- Make a claim in respect of any loss or damage caused by **Your** wilful act or with **Your** involvement/knowledge, or

Then

- **We** shall not pay the claim
- **We** may cancel **Your** policy immediately and backdate the cancellation to the date of the fraudulent act.
- **We** may at **Our** option declare the policy void and all other insurances in force with **Us** with which **You** are connected will cease immediately
- **We** shall be entitled to recover from **You** the amount of any claim already paid under the Policy since the start date.
- **We** shall not make any return of premium under this or any other policy in force with **Us** in **Your** name.
- **We** may inform the Police of the circumstances
- **We** may take legal action against **You**.

How **Your** data is used and shared by Insurers and Databases in relation to motor insurance

The data **You** provide will be used by **Us** and shared with other insurers as well as certain statutory and other authorised bodies for:

- Insurance underwriting purposes i.e. to examine the potential risk in relation to **Your** (and/or a third party's) prospective policy so that **We** can:
 - Consider whether to accept the relevant risk,
 - Make decisions about the provision and administration of insurance and related services for **You** (and members of **Your** household),
 - Validate **Your** (or any person or property likely to be involved in the policy or claim) claims history (at any time including upon application for insurance, in the event of an accident or a claim, or at a time of renewal).
- Management Information purposes. To analyse insurance and other markets for the purposes of:
 - Portfolio assessment,
 - Risk assessment,
 - Performance reporting,
 - Management reporting.
- Anti-fraud purposes.
To detect and prevent fraudulent claims and/or activities by:
 - Sharing information about **You** with other organisations and public bodies including the police,
 - Tracing debtors or beneficiaries, recovering debt, managing **Your** accounts and/or insurance policies,
 - Undertaking fraud searches. Insurers pass information to fraud prevention agencies and databases including the Claims Underwriting and Exchange Register and where appropriate the Motor Insurance anti-Fraud and Theft Register managed by the Motor Insurers' Bureau (MIB). This helps insurers check information and prevent fraudulent claims. When **We** deal with **Your** request for insurance **We** may search these registers.
- Compliance with legal obligations and responsibilities.
 - Claims management – In the event of a claim **We** may need to disclose information with any other party involved in that claim such as third parties involved in the incident, their insurer, solicitor or representative and medical teams, the police or other investigators. **We** also may have to investigate **Your** claims and conviction history.
 - Complaints management – If **You** make a complaint about the service **We** have provided, **We** may be obliged to forward details about **Your** complaints, including **Your** personal information, to the relevant ombudsman.
 - Information about **Your** insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers' Bureau (MIB). MID and the data stored on it may be used by certain statutory and/or authorised bodies including

the police, the DVLA, the DVLNI, the Insurance Fraud Bureau and other bodies permitted by law. This information may be used for purposes permitted by law, which include but are not limited to:

- Electronic Licensing
- Continuous insurance enforcement
- Law enforcement (prevention, detection, apprehension and/or prosecution of offenders)
- The provision of government services and/or other services aimed at reducing the level and incidence of uninsured driving.

If **You** are involved in a road traffic accident (either in the UK, the European Economic Area or certain other territories), insurers and/or the MIB may search the MID to obtain relevant information.

Persons (including his or her appointed representative) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds **Your** current registration number. If it is incorrectly shown on the MID **You** are at risk of having **Your** vehicle seized by the police.

You can check that **Your** current registration number details are shown on the MID at www.askmid.com.

How **Your** data will be processed

- Information which is supplied to fraud prevention agencies and databases such as MIB and MID can include details such as **Your** name, address and date of birth together with details of any injury arising from a claim.
- **Your** data may be supplied to databases in order to facilitate automatic no claim discount validation checks.
- **Your** data may be transferred to any country, including countries outside of the European Economic Area, for any of the purposes mentioned above.
- Under **Your** policy **You** must tell **Us** about any incident (such as an accident or theft) which may or may not give rise to a claim. When **You** tell us about an incident, **We** will pass information relating to it to the fraud prevention agencies and databases such as MIB.

How **We** use **Your** data – Driving Licence Number

Insurance underwriting purposes i.e. to examine the potential risk in relation to **Your** (and/or a third party's) prospective policy so that **We** can:

- Provide **Your** (or any person included on the proposal) Driving Licence Number (DLN) to the DVLA to confirm **Your** (or the relevant person included on the proposal) licence status, entitlement and relevant restriction information and endorsement/conviction data. Searches may be carried out prior to the date of the insurance policy and at any point throughout the duration of **Your** insurance policy including at the mid-term adjustment and renewal stage. A search of the DLN with the DVLA should not show a footprint against **Your** (or another relevant person included on the proposal) driving licence.
- Searches may be carried out at point of quote and, if an insurance policy is incepted, at renewal stage.

Please note that if **You** give **Us** false or inaccurate information it may invalidate **Your** insurance policy/prospective insurance policy or it could affect the amount **We** pay to settle any claims **You** make under the policy.

3) Credit Searches

To ensure the Insurer has the necessary facts to assess **Your** insurance risk, verify **Your** identity, help prevent fraud and provide **You** with **Our** best premium and payment options, the Insurer may need to obtain information relating to **You** at quotation, renewal and in certain circumstances where policy amendments are requested. The Insurer or their agents may:

- undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.
- Carry out a quotation search from a credit reference agency (CRA) which will appear on **Your** credit report and be visible to other credit providers. It will be clear that this is a quotation search rather than a credit application.

Where **You** agree to pay monthly under an Insurer credit agreement, the status of **Your** quotation search from the Insurer's credit reference agency (CRA) will be updated to reflect **Your** credit application and this will be visible to other credit providers. CRA's may keep a record of this search.

In order to assess **Your** application the Insurer will supply **Your** personal information to **Our** CRA and they will give **Us** information about **You**, such as about **Your** financial history. **We** do this to assess creditworthiness and product suitability, check **Your** identity, manage **Your** account, trace and recover debts and prevent criminal activity. **We** will also continue to exchange information about **You** with CRA's on an ongoing basis, including about **Your** settled accounts and any debts not fully repaid on time. CRA's will share **Your** information with other organisations. **Your** data will also be linked to the data of **Your** spouse, any joint applicants or other financial associates. The identity of our CRA and the ways in which they use and share personal information, are explained in more detail at www.callcredit.co.uk/crain.

4) Automated decision making

We carry out automated decision making to decide whether **We** can provide insurance to **You** and on what terms, deal with claims or carry out fraud checks. In particular **We** use an automated underwriting engine to provide on-line quotes, using the information **We** have collected.

5) On-line information

When **You** visit one of **Our** websites, **We** may record information about **Your** computer or mobile device, including hardware and software used, general location, when and how **You** interact with **Our** websites. This information is used to note **Your** interest in **Our** websites, improve customer journeys, determine pricing and/or offer **You** available discounts.

6) How We share Your personal information with others

We may share **Your** personal information:

- with the Novitas group company, **Our** agents and third parties who provide services to **Us**, and **Your** intermediary and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help **Us** administer **Our** products and services,
- with regulatory bodies and law enforcement bodies, including the police, e.g. if **We** are required to do so to comply with a relevant legal or regulatory obligation,
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes,
- with reinsurers who provide reinsurance services to **Your** Insurer and for each other. Reinsurers will use **Your** data to decide whether to provide reinsurance cover, assess and deal with reinsurance claims and to meet legal obligations. They will keep **Your**

data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations **We** share information with may be located outside of the European Economic Area (“EEA”). **We**’ll always take steps to ensure that any transfer of information outside of Europe is carefully managed to protect **Your** privacy rights.

7) **Marketing**

Your Insurance intermediary and its agents may use **Your** information to keep **You** informed by post, telephone, e-mail or other means about products and services which may be of interest to **You**. **Your** information may also be used for these purposes after **Your** policy has lapsed. If **You** wish to amend **Your** marketing preference, please contact **Your** insurance intermediary.

8) **How long We keep Your personal information for**

We maintain a retention policy to ensure **We** only keep personal information for as long as **We** reasonably need it for the purposes explained in this notice. **We** need to keep information for the period necessary to administer **Your** insurance and deal with claims and queries on **Your** policy. **We** may also need to keep information after **Our** relationship with **You** has ended, for example to ensure **We** have an accurate record in the event of any complaints or challenges, carry out relevant fraud checks, or where **We** are required to do so for legal, regulatory or tax purposes.

9) **Your rights**

You have various rights in relation to **Your** personal information, including the right to request access to **Your** personal information, correct any mistakes on **Our** records, erase or restrict records where they are no longer required, object to use of personal information based on legitimate business interests, ask not to be subject to automated decision making if the decision produces legal or other significant effects on **You**, and data portability. If **You** have any questions or would like to find out more about this please contact Novitas Underwriting Agency Ltd.

10) **Fraud Prevention, Detection & Claims History**

In order to prevent and detect fraud **We** may at any time:

- Share information about **You** with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file details with fraud prevention agencies and databases, and if **You** give **Us** false or inaccurate information and **We** suspect fraud, **We** will record this.

We and other organisations may also search these agencies and databases to:

- Help make decisions about the provision and administration of insurance, credit and related services for **You** and members of **Your** household
- Trace debtors or beneficiaries, recover debt, prevent fraud and to manage **Your** accounts or insurance policies;
- Check **Your** identity to prevent money laundering and additional fraud searches (this may include requests for copy driving licences, utility bills and other documentation to establish the identity of any person applying for insurance).

11) **No Claims Discount (“NCD”)**

Your (or any person included on the proposal) ‘No Claims Discount’ may be searched against a NCD database to obtain information in relation to **Your** ‘No Claims Discount’ entitlement. Such searches may be carried out against **Your** (or the relevant person included on the proposal) DLN, name, date of birth, Vehicle Registration Mark and or postcode. A search of the DLN against the NCD should not show a footprint against **Your** (or another person included on the proposal) driving licence.

Searches may be carried out at point of quote and, if an insurance policy is inceptioned, at the renewal stage.

We will pass details of **Your** 'No Claims Discount' to certain organisations to be recorded on a NCD database. This will occur if information requires updating or correcting at any stage, and also at renewal stage of **Your** policy and upon or after cancellation of **Your** policy prior to the expiry date.

How to Claim

Contact **Your** Insurance intermediary/advisor as soon as possible after the incident has occurred. Their details can be found on **Your Schedule**. They will advise **You** on the claim procedure and give **You The Underwriters** telephone number to call to report the matter.

Alternatively, **You** can secure the claim telephone number from the Novitas web site:

www.novitas.co.uk

You should phone the claim telephone number even if **Your** policy does not cover the loss of or damage to **Your Motorcycle**.

If damage to **Your Motorcycle** is covered, an inspection of the vehicle will normally be arranged. It will help if **You** can have the full address and telephone number of the vehicle's location to hand when telephoning.

Should **You** receive any correspondence from another party involved in an incident, please forward this to Novitas or **The Underwriters** unanswered as soon as possible. Recent reforms to the civil justice system give Insurers very little time in which to respond, so please don't delay.

Remember that **Your** insurance is designed to protect **You** following an incident or other insured loss. It will not compensate **You** for unnecessary or unreasonable costs caused by **Your** delay in reporting an incident or in forwarding any correspondence from another party. It is therefore in **Your** own interests to report any incident as soon as possible.

CRIME PREVENTION MEASURES

The theft of motorcycles, including scooters and mopeds, is a major problem particularly in urban and city areas.

Securing your bike: lock, chain and cover:

- Use a disc lock to the front wheel or a grip lock to the throttle
- Secure the rear wheel of the bike with a security tested chain and padlock. Attach the chain to either a ground anchor or another fixed immovable object.
- Once secure, thread any excess chain through your bike frame and back wheel. Thieves can easily use a hammer or angle grinder if a lock is left on the ground.
- Cover your bike and make it less attractive to thieves including covering controls and security features

Other tips:

- Use a movement sensor
- Fit a tracking device to assist in recovering your vehicle if stolen
- Consider property marking any panels and register this on a database
- Use tamper proof – one way screws – reinforced by adhesive to prevent number plate theft

Parking:

- When out and about, consider using a car park that has passed a security assessment
- Secure your bike to any ground anchor or support stand provided
- Alternatively, park your vehicle in an area that is well overlooked with good lighting

At Home:

- Keep your bike in a garage, shed or bike storage unit if possible
- If you don't have a garage available, consider parking in a well-lit area that is easily overlooked
- Consider installing a ground anchor in your garage or driveway
- Make sure that you adhere to any garaging and/or security endorsement/warranty applied to your policy

IMPORTANT

Please take the time to read your policy wording, together with the Certificate of Motor Insurance and Schedule, to make sure that you have the protection you need.

**If your policy cover includes theft the following term applies:
For theft cover to be provided the use of a secondary security device – such as a D lock, disc lock, padlock and chain, immobiliser or other similar device – is COMPULSORY.**
