Frequently asked questions

Q Can I purchase an extra fob for a family member at a different address?

A No, only for the same address.

Q Which type of keys are covered through my policy?

A Any keys e.g. your car, house, garage, office.

Q How many keys can I attach to my fob?

A As many of your keys as you choose.

Q Do I need to pay the finder the £10 reward?

A No. The reward will be sent directly by Keycare to the person who found your keys.

Looking after your keys

- Never have anything containing your name and address attached to your keys.
- Never leave your keys under doormats, on a string through the letterbox, under a stone, on top of a door or window frame etc. An opportunist thief may be watching.
- Never leave doors or windows open when you go out. If you can get in, so can a burglar.
- Always leave a spare set of keys with a trusted neighbour, friend or family member.
- Try not to keep all your keys on one key ring - additional fobs can be purchased by contacting Adrian Flux.
- Thieves are increasingly trying new methods of vehicle crime. This means stealing your keys to your vehicle first. Burglars have been known to break into houses and offices just to steal vehicle keys.
- Don't leave vehicle keys close to the front door where they can be seen.
- NEVER leave your keys in your vehicle - not even for a second. This is especially important when at a petrol station or when loading or unloading your vehicle.
- Always lock your vehicle when leaving it.

Sophisticated security measures now fitted as standard to new vehicles mean criminals are increasingly turning to key crime.
