Trinity Lane Motor Vehicle Policy Document

About your insurance

We are pleased to welcome you as a policyholder. Your motor insurance is made up of four documents.

- This insurance booklet
- The schedule, which shows any endorsements applying to your insurance
- The certificate of motor insurance
- The proposal form or statement of insurance

You should read all these documents and keep them in a safe place.

We have agreed to provide cover based on the information you gave in the proposal form or statement of insurance. If you know or believe that any of this information

is incorrect or missing, please tell your insurance adviser immediately. If you do not give us full and accurate information, your insurance may not be valid and we could refuse to pay any claim.

If you need a copy of the proposal form or statement of insurance, please ask your insurance adviser.

We have done everything possible to make your documents straightforward and you should find them easy to follow. The guidance notes will help you understand your cover. If you have any questions, please call your insurance adviser. You will also find useful advice on how to make a claim and what you can do if you are not happy with our service.

Specialist vehicle insurance

Please read the definitions on pages 5 and 6 of this document.

We have used the information you have given us in the declaration and either the proposal form or statement of insurance.

We have agreed to insure you under the terms, conditions and exceptions in this document, and any endorsements relating to it.

You must have paid the premium shown in the schedule to be covered under this policy. We are authorised and regulated by the Malta Financial Services Authority under the Insurance Business Act 1998 to carry on the business of general motor and accident classes of insurance.

Definitions

Accessories – parts of your vehicle which do not directly relate to its function as a motor vehicle. If your vehicle is a motor caravan, we include fixtures, fittings, furnishings and furniture in this definition.

Agreed value – the amount shown in the schedule which we have agreed and which we must pay if your vehicle is stolen and not recovered, is totally destroyed or is so badly damaged that the reasonable cost of repair will be more than this amount (as long as the condition of the vehicle at the time of a claim is not very different from the condition you originally gave us details of). If you give us false or incorrect documents for the agreed value, this will make any agreed value void (in other words, cancel it) and we will only pay the market value for the vehicle. If we have not agreed the value of your vehicle at the time of loss or damage, the most we will pay will be the market value of your vehicle immediately before the loss or damage.

Annual mileage limit – the maximum number of miles that your vehicle is allowed to be driven in any one year of insurance.

Annual premium – the premium we charge to provide you with cover for a period of 12 months.

Car – a passenger vehicle that is not a van, with an unladen weight higher than 450kg but lower than 3500kg, not designed to carry goods or more than six passengers. Vehicles that do not meet this definition will only be covered if our underwriter agrees.

Certificate of motor insurance – the legal document used as evidence that you have the insurance needed by law. This document shows the insured vehicle, who can drive it, and the purposes for which it can be used.

Courtesy vehicle – a small hatchback provided by a repairer approved by us until the authorised repair is finished.

Endorsement – a change in the terms of your insurance. An endorsement does not apply unless the number appears in your schedule. Each endorsement has its own number.

Excess – the amount you have to pay towards any claim under this insurance as shown on your schedule.

In-vehicle entertainment and navigation equipment – permanently fitted radios, MP3 players, cassette, CD or minidisc players (including their speakers), and navigation equipment. We do not cover citizens' band (CB) radios, telecommunications equipment (for example, a hands-free kit) and portable items such as cassette tapes, CDs, minidiscs or any other music-storage equipment.

Market value – the cost of replacing your vehicle, if this is possible, with one of a similar make, model, year, mileage and condition.

Period of insurance – the length of time covered by this insurance as shown in the schedule.

Retail customer – an individual who is acting for purposes which are outside his or her trade, business or profession.

Thatcham Centre – The world's leading automatic research and technology centre. They aim to improve safety and security and provide the automotive and insurance industries with valuable commercial information.

The schedule – details of the sections of this insurance document which apply to you.

Trinity Lane Glassline – our approved glass repairers.

Unattended – when you or any passengers are not sitting in your vehicle. United Kingdom – England, Scotland, Wales, Northern Ireland, the Isle of Man and the Channel Islands.

We, us, our – Trinity Lane Insurance Company Limited.

You, your – the insured person named in the certificate of motor insurance and the schedule.

Your vehicle, your motor vehicle – the insured vehicle shown in the schedule.

You should read the policy, schedule and certificate of motor insurance and any later endorsements as if they are one document. Any word or expression that we have defined in the policy, schedule or certificate of motor insurance will have the same meaning wherever it appears.

Cover

The cover you have chosen is shown in your schedule. We have divided your cover into different sections.

1 Comprehensive – If you choose comprehensive cover, all the sections of this document apply.

2 Third party, fire and theft – If you choose third party, fire and theft, sections 1, 2, 3, 4, 6, 7, 12, 14, 15 and 16 only will apply. The cover under section 6 is limited to loss or damage caused by fire, theft or attempted theft.

3 Third party only – If you choose third party only, sections 1, 2, 3, 4, 12, 14, 15 and 16 only will apply.

4 Fire and theft only – If you choose fire and theft only, sections 6, 7, 14 and 16 only will apply. The cover under section 7 is limited to loss or damage caused by fire, theft or attempted theft. (You can only have this cover if you keep your vehicle in a locked garage and it is not being used by anyone.)

5 Off-the-road cover – If you choose off-the-road cover, sections 5, 6, 7, 14 and 16 only will apply. The cover under section 7 is limited to loss or damage caused by fire, theft or attempted theft.

If the insurance is not in one person's name, section 10 is cancelled. The general conditions and exceptions apply to all sections of the insurance.

Use

Your vehicle will only be covered if you are using it in the way agreed on your certificate of motor insurance, or any endorsements.

This insurance also provides cover while you use your vehicle for:

- static rallies (displaying the vehicle on a stand at a car show) and road-safety rallies;
- other rallies (including off-road), as long as they are not competitions and there is no reward attached to your performance while driving, except in relation to good road behaviour and meeting the Highway Code; or
- treasure hunts, as long as the route is not more than 100 miles (160 kilometres).

Unless we agree otherwise beforehand, your vehicle will not be covered while it is being used for any other form of competition, rally, trial, track day, performance test, timed lap, race or speed trial (whether between motor vehicles or otherwise). This exclusion applies even if the event is not on a public road, whether or not it is authorised by the police or another relevant authority. Also, we do not cover your vehicle if you are using it on derestricted toll roads (roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended).

This policy will allow you to carry out voluntary driving (that is, to use your motor vehicle in connection with, or for the benefit of, charities, voluntary organisations, clubs or societies) as long as any payment you receive does not go over HM Revenue & Customs' mileage rates in force at that time. This cover does not apply to vehicles owned by, hired to or lent to the voluntary organisation.

Section 1 – Liability to others

What we cover

Using your vehicle

We will cover any payments that have to be made by law for:

- death of or injury to another person; or
- damage to other people's property;

as a result of an accident arising from your vehicle being used.

Other drivers using your vehicle

We will cover you for the following.

- Another person using your vehicle with your permission, as long as this is agreed on your certificate of motor insurance. They will be covered for death of or injury to other people, or damaging other people's property. Any passenger in your vehicle will also be given this cover, including while they are getting into or out of the vehicle.

- If we think it is necessary, we will arrange for a solicitor to represent anyone covered under this section.

Business use

- If your certificate of motor insurance includes business use, we will cover your employer if an accident happens when your vehicle is being used on business.

Legal personal representatives

- If anyone covered by this insurance dies, we will deal with any claim made against their estate as long as the claim is covered by this insurance.

Exceptions to section 1

What we do not cover

- a** Anyone who is not driving, but who makes a claim, if they knew the driver did not hold a valid driving licence.
- b** Anyone who is covered by other insurance.
- c** The death of or injury to the driver.
- d** Damage to, loss of use of, or any other loss to:
 - any motor vehicle which is covered under this insurance;
 - any property you or anyone else driving the vehicle owns or is looking after; and
 - any trailer, caravan or vehicle towed by or attached to your vehicle.
- e** Death of or injury to any person during the course of their employment, except for the cover we must provide under the Road Traffic Acts or any other laws which apply to motor insurance.
- f** Payment of more than £20 million (including legal costs) for damage to other people's property arising from any one claim or series of claims arising from one cause.
- g** Damage to property by historic commercial or collectable military vehicles of more than £5 million (including legal costs) for any one claim or a number of claims arising out of one cause.

Section 2 – Driving other cars

What we cover

We will extend section 1 to cover you while you are driving a car you do not own (with the owner's permission), or have not hired or leased, as long as you are not covered by any other insurance. This cover only applies in the United Kingdom and as long as the cover is provided on the certificate of motor insurance.

Exceptions

What we do not cover

- a** Any loss or damage to the car you do not own.
- b** Any accident which happens outside the United Kingdom.
- c** Any accident which happens when the insurance is not in the name of one person.
- d** Any liability if you no longer own your vehicle, if it has been damaged so badly that it is not worth repairing, or if it has been stolen.
- e** Any liability under this insurance if the owner or keeper of the car you are driving has not arranged his or her own insurance on the car to cover his or her liability to other people.

Section 3 – Legal costs

What we cover

We will provide a legal representative to advise and represent anyone covered under section 1, if that person faces proceedings for manslaughter or causing death by dangerous driving.

What we do not cover

- a** Costs covered by another insurance policy.
- b** Proceedings where the driver is under 21 at the time of the accident.
- c** Proceedings where the driver was under the influence of alcohol or any drugs (other than prescribed drugs taken under medical supervision or to treat drug addiction) at the time of the accident.

Our cover under this section is limited to £5,000 in any one year of insurance. We can settle any claims by paying you £5,000, less the costs that have already been paid.

Section 4 – Towing

What we cover

We will extend section 1 to cover you while your vehicle is towing a caravan, trailer or broken-down vehicle, any of which must be attached securely to your vehicle in line with the manufacturer's recommendations.

What we do not cover

We will not cover damage or loss to the caravan, trailer or broken-down vehicle, or their contents.

Section 5 – Damage to your vehicle

What we cover

This section applies to your vehicle only.

We will cover you under this section for damage to your vehicle (less any excess which applies).

We will also provide cover for damage to accessories while fitted to your vehicle or while in your locked private garage. We will not pay more than £500 (less any excess which applies) for damage to accessories while they are in your locked private garage. The value of the accessories must be within the maximum amount we pay. We will not pay under this section for damage more specifically covered under sections 6 or 7 of this insurance.

We will either:

- repair or replace your vehicle; or
- refund you for the amount of loss or damage.

We will not pay under this section for damage more specifically covered under section 6 of this insurance. Any repair work carried out is guaranteed for three years.

The most we will pay

If your vehicle is insured on an agreed-value basis, an endorsement will apply and the most we will pay will be the value shown on your schedule. If we have not agreed the value of your vehicle before the loss or damage, the most we will pay will be the market value of your vehicle immediately before the loss or damage (including its spare parts and accessories), or the value shown on the schedule, whichever is lower.

If you cannot drive your vehicle as a result of loss or damage covered under this policy, we will pay the reasonable cost of transporting it to the nearest suitable repairer. We will also pay the reasonable cost of delivering your vehicle to you at the address shown in the schedule after repairs have been completed. We may put your vehicle in safe storage before it is repaired, sold or taken for salvage. We will pay the reasonable cost of storage.

If you have comprehensive cover and your car needs immediate recovery in the United Kingdom, we will offer to arrange and pay for a taxi to take you and your passengers home or to your intended destination in the United Kingdom. To arrange this service, please call our claim handlers on 0344 381 4420.

Uninsured driver benefit

If you are involved in an accident which was not your fault and was caused by an uninsured driver, we will refund the amount of any excess you have had to pay and will not reduce your no-claims discount (see section 15). This applies as long as we have the vehicle registration, make and model of the other vehicle, and the driver's details.

New vehicle replacement (applies to sections 5 and 6)

We will replace your vehicle with a new one of the same make, model and specification if, during the 12 months after first being registered in the UK from new, your vehicle is:

- damaged and repairs will cost 65% or more of the amount shown in the manufacturer's price list (including tax and VAT) at the time of loss or damage; or
- stolen and not recovered.

This applies as long as you own the vehicle, and a replacement of the same make, model and specification is available at the time of loss or damage, and as long as you and anyone else we know who has a financial interest in your vehicle agree. Vehicles sold as 'ex-demonstrators' or 'nearly new' do not qualify for replacement under this section.

Salvage

If your vehicle is totally destroyed or damaged so badly that the cost of repairs will be equal to or more than the value of your vehicle as shown on the schedule, we will agree with you to either:

- a** pay you an amount of cash equal to the agreed value or market value, with the salvage becoming our property; or
- b** pay you an amount of cash equal to 80% of the agreed value or market value, with the salvage remaining your property.

We will only settle a claim under option b if the motor engineer we ask to assess the damage to your vehicle agrees that it can be repaired in line with the Code of Practice for the Disposal of Motor Vehicles.

Courtesy vehicle

Following a claim under this section of your policy, you may be entitled to a courtesy vehicle while your vehicle is being repaired. This will depend on:

- us agreeing that the claim is covered under your policy; and
- the repairs being carried out by one of our approved repairers.

You will not be entitled to a courtesy vehicle if:

- we cannot repair your vehicle, or if the cost of repairing your vehicle is more than the cost of replacing it with one of a similar age, make and model; or
- your policy does not cover the damage.

The courtesy vehicle will be insured on a comprehensive basis (including business use if your policy provides this cover) for the period for which we have agreed you can have the courtesy vehicle. Only you and those drivers allowed to drive under your policy will be covered.

You will need to pay an excess towards any loss or damage to the courtesy vehicle while you are using it. The excess you pay will be no more than you would pay under the terms of your policy.

If we have provided you with a courtesy vehicle while your vehicle is being repaired and our approved repairer decides that we cannot repair your vehicle or that the cost of repair is not financially worthwhile, you must return the courtesy vehicle within two days of us informing you. If you do not, you will have to pay the hire costs of the courtesy vehicle after this period. You will have to pay the hire costs if you keep the courtesy vehicle for longer than agreed.

We may take any hire costs that you owe from the settlement we agree to pay you, or add the costs to your excess.

You will have to pay the running costs of the courtesy vehicle (such as the cost of fuel) and also any fines or penalties that arise while you are using the vehicle.

Section 6 – Fire and theft cover

Loss or damage to your vehicle by fire or theft

What we cover

This section applies to your vehicle only.

We will cover you under this section if the loss or damage to your vehicle is caused by fire, theft or attempted theft (less any excess which applies).

We will also provide cover for damage to accessories while fitted to your vehicle or while they are in your locked private garage. We will not pay more than £500 (less any excess which applies) for damage to accessories while they are in your locked private garage. The value of the accessories must be within the maximum amount we pay.

We will not pay under this section for loss or damage more specifically covered under section 7 of this insurance.

We will either:

- repair or replace your vehicle; or
- refund you for the amount of loss or damage.

Theft of keys

If the keys or key fob for your vehicle are stolen, we will pay the cost of replacing:

- the keys or key fob;
- the door locks or boot lock (or both); or
- the ignition and steering lock.

We will also pay the cost of recoding or, if necessary, replacing any alarm system your vehicle has.

The most we will pay as a result of theft of keys or key fob (including recoding and replacing the alarm system) is £500 for any one incident.

The most we will pay

If your vehicle is insured on an agreed-value basis, an endorsement will apply and the most we will pay will be the value shown on your schedule. If we have not agreed the value of your vehicle before the loss or damage, the most we will pay will be the market value of your vehicle immediately before the loss or damage (including its spare parts and accessories), or the value shown on the schedule, whichever is lower.

Salvage

If your vehicle is totally destroyed or damaged so badly that the cost of repairs will be equal to or more than the value of your vehicle as shown on the schedule, we will agree with you to either:

- a** pay you an amount of cash equal to the agreed or market value, with the salvage becoming our property; or
- b** pay you an amount of cash equal to 80% of the agreed or market value, with the salvage remaining your property.

We will only settle a claim under option b if the motor engineer we ask to assess the damage to your vehicle agrees that it can be repaired in line with the Code of Practice for the Disposal of Motor Vehicles.

Courtesy vehicle

Following a claim under this section of your policy, you may be entitled to a courtesy vehicle while your vehicle is being repaired. This will depend on:

- us agreeing that the claim is covered under your policy;
- the repairs being carried out by one of our approved repairers; and
- the approved repairer having a vehicle available for you to use.

You will not be entitled to a courtesy vehicle if:

- we cannot repair your vehicle, or the cost of repairing your vehicle is more than the cost of replacing it with one of a similar age, make and model; or
- your policy does not cover the damage.

The courtesy vehicle will be insured on a comprehensive basis (including business use if your policy provides this cover) for the period for which we have agreed you can have the courtesy vehicle. Only you and those drivers allowed to drive under your policy will be covered. You will need to pay an excess towards any loss or damage to the courtesy vehicle while you are using it. The excess you pay will be no more than you would pay under the terms of your policy. If we have provided you with a courtesy vehicle and our approved repairer decides that we cannot repair your vehicle or that the cost of repair is more than the cost to replace the vehicle with one of a similar age, make and model, you must return the courtesy vehicle within two days of us informing you. If you do not, you will have to pay the hire costs of the courtesy vehicle after this period. You will have to pay the hire costs if you keep the courtesy vehicle for longer than agreed. We may take any hire costs that you owe from the settlement we agree to pay you, or add the costs to your excess. You will have to pay the running costs of the courtesy vehicle (such as the cost of fuel) and also any fines or penalties that arise while you are using the vehicle.

Section 7 – Loss of or damage to in-vehicle entertainment and navigation equipment

What we cover

We will cover you under this section for loss of or damage to in-vehicle entertainment and navigation equipment that is permanently fitted to your vehicle. The most we will pay to replace or repair the equipment is the market value at the time of loss or damage. We will pay up to £1000, less any excess which applies.

Exceptions to sections 5, 6 and 7

What sections 5, 6 and 7 do not cover

- a** Damage to or theft of phones or two-way radios.
- b** An amount of money to compensate you for not being able to use your vehicle and any other expenses you have to pay because of this.

- i** The loss of, or damage to, your vehicle as a result of fraud or deception or by using some form of counterfeit (false) payment which a bank or building society will not authorise.
- j** The amount of any excess shown in your schedule and in section 9 of this document.
- k** Mechanical, electrical, electronic, computer or computer-software breakdowns, failures, faults or breakages.

The cover we provide for an accident is limited to the minimum cover needed to meet the relevant law.

Section 8 – Repairing and replacing glass

What we cover:

If you have comprehensive cover, you can claim for damage to the glass in your vehicle's windscreen, windows or sunroof.

- If you ask Trinity Lane Glassline to arrange to replace the glass, you will have cover up to the market value of the car at the time of loss, and you will only have to pay the first £90 (unless your schedule or endorsement says otherwise) of each claim for a replacement. If Trinity Lane Glassline cannot arrange the replacement or repair, you will still have cover up to the market value but you will have to pay the first £125 of the replacement cost unless your schedule or endorsement says otherwise.
- If you agree with Trinity Lane Glassline to repair rather than replace the glass, you must pay the first £20 of the repair cost.
- If you do not ask Trinity Lane Glassline to arrange the replacement or repair, you must pay an excess of £125 unless your schedule or endorsement says otherwise.
- As long as there is no other damage to your vehicle, any claim we pay under this section will not affect your no-claims discount.
- Any other excess we mention in this document will not apply to claims for repairing or replacing glass.

Section 9 – Excesses for young or inexperienced drivers

If your vehicle is damaged while a young or inexperienced person (including you) is driving, or is in charge of the vehicle, you will have to pay the first part of the cost as shown below.

These amounts are on top of any other excess shown on your schedule that you may have to pay.

Section 10 – Personal accident benefits

What we cover

If you, or your husband, wife or civil partner, are injured or die within three months of an accident in your vehicle, and as long as the accident is the only cause of the injury or death, we will pay the following amounts.

a For death £2,500

b For loss of any limb (arm or leg) £2,000

c For permanent blindness in one or both eyes £2,000

This cover also applies when you or your husband, wife or civil partner are travelling in, or getting in or out of, any other private motor vehicle. The most we will pay for any insured person after an accident is £2,500. We will make this payment to you or your legal representative.

If you or your husband or wife has any other insurance contract with us, we will only pay out under one contract.

b Death or bodily injury caused by suicide or attempted suicide.

This section only applies once for each event.

Section 12 – Foreign travel

What we cover

Geographical limits

Other than the minimum cover you need to meet the laws relating to compulsory motor insurance in the European Union, your insurance only applies in the United Kingdom.

Automatic cover

We will extend your insurance to provide the cover shown on your schedule in the following countries for up to 90 days in any one insurance year. Cover is also included while your vehicle is being transported to these countries by rail or by a recognised sea route which takes less than 65 hours.

- a** Any country which has entered into an agreement with the European Commission
- b** Iceland
- c** Liechtenstein
- d** Norway
- e** Switzerland
- f** Monaco
- g** Andorra
- h** San Marino
- i** Vatican City
- j** Gibraltar

If you stay in any of these countries for longer than 90 days without our permission, we will reduce your cover to the minimum you need under European Union directives on motor insurance while your vehicle is in that country.

Extended cover

If we agree beforehand, you may extend your insurance to apply to certain other countries covered by the International Green Card System. (This is mainly a European system to make sure that third-party victims of road traffic accidents do not suffer financially if their injury or any damage to their vehicle is caused by a visiting motorist rather than one who lives in the country where the incident happened.) If the cover under sections 5, 6 and 7 has been extended to apply abroad, we will also cover any foreign customs duty you have to pay as a direct result of the loss of, or damage to, your vehicle.

Section 13 – Medical expenses

What we cover

If there is an accident involving your vehicle, we will pay up to £250 for each person to cover the medical expenses of anyone who is injured while they are in your vehicle.

Section 14 – Cancelling this insurance

Cancelling during the initial period of cover – 'retail customers' only

If you have entered into this contract of insurance as a retail customer (see the 'Definitions' section), you have a right to cancel this insurance. To do this, you must tell us or your insurance adviser within 14 days of the start date (or annual renewal date) of your policy or (if later) the day you receive the policy documents and supporting information.

If you choose to cancel the insurance policy during this initial period of cover and you have not made any claims during the current period of insurance, you will have to pay a proportion of the premium you paid for the period of time you have had insurance cover.

Cancellation by you

You can cancel this insurance after the initial period of cover set out in 'Cancelling during the initial period of cover – 'retail customers only' by telling us or your insurance adviser.

If you choose to cancel the insurance policy and have not made any claims during the current period of insurance, we will refund the proportion of the premium which applies to the remaining period of insurance, less a premium charge of £25 (taking account of insurance premium tax (IPT) if it applies).

Cancellation by us

We can cancel your policy at any time, by giving you seven days' notice in writing, if we have good reason. We will send the notice of cancellation to the address that we hold on file. The notice will set out the reason for the cancellation.

Reasons for cancelling your policy may include the following.

- You have not provided any document or information we or your insurance adviser have asked for.
- You have not made any payment we, your insurance adviser or any other company have asked for in connection with your policy.
- We or your insurance adviser have good reason to suspect fraud or false information.
- A change in your details makes your policy unacceptable to us.
- You have not kept to the conditions of your policy, as set out in this policy booklet.
- If you, a person acting on your behalf, or any person covered by this policy uses threatening, intimidating or abusive behaviour or language towards our staff, suppliers or agents acting on our behalf, including your insurance broker.

Cancellation by us - false or missing information

We will treat this policy as if it never existed if:

- the proposal or declaration is untrue in any significant way;
- you make a claim that is fraudulent or deliberately exaggerated;
- you have made a false declaration or statement to support your claim; or

- the circumstances in which you entered into the insurance change without our permission.

If we or your insurance adviser cancel this insurance and you have not made any claims during the current period of insurance, we will refund the proportion of the premium which applies to the remaining period of insurance, less a premium charge of £25 (taking account of insurance premium tax (IPT) if it applies).

If you have made a claim in the current period of insurance, you must pay the full annual premium and you will not be entitled to any refund.

General cancellation information

If you have chosen to pay your annual premium by instalments and do not cancel the insurance policy, you must continue to pay the instalments for your policy or we will cancel your cover and end the insurance policy.

If you pay your premium in instalments and you have paid a deposit premium, if we then do not receive the first instalment when it is due, we will send you seven days' notice of cancellation even if you have separate credit arrangements with your insurance adviser. You must pay the full amount you owe before the seven days are up. If you do not pay the full amount, we will cancel the insurance immediately.

If your vehicle is lost or damaged and cannot be repaired or replaced and the loss or damage is covered by this insurance, you must pay all the premium you owe before making a claim. We will have the right to take any premium you owe from the amount of the claim.

Section 15 – No-claims bonus

If nobody makes a claim under your insurance during the insurance period, we will give you a discount when you renew your insurance.

The discount you receive will depend on the no-claims bonus scale we are using when you renew your insurance.

If a claim is made in any insurance period, we will reduce the discount you receive. If you make two or more claims in any one period of insurance, you will lose all your no-claims bonus.

If more than one vehicle is covered by this insurance, we will assess each vehicle individually.

Your no-claims bonus will not be affected if you only claim for a broken windscreen or windows.

You cannot transfer your no-claims bonus to someone else.

Protected no-claims bonus

Depending on certain conditions, you may be able to protect your no-claims bonus if you pay an extra premium. Your no-claims bonus is only protected if this is shown on your schedule.

If your no-claims bonus is protected, we will not reduce it if you do not make more than two claims during any five years of insurance. If you make three or more claims during any five-year period, we will reduce the discount you receive.

Section 16 – Extra benefits and general information

Vehicle servicing and vehicle parking

Under the terms and conditions of this policy, apart from any limits to the way your vehicle is used and driven, we will protect you against loss or damage while your vehicle is in the custody or control of:

- a motor garage or other similar business, not owned by you, which has your vehicle for maintenance, repairs, an MOT or servicing; or
- a hotel, restaurant or similar business, not owned by you, where your vehicle has been parked for you.

Hotel expenses

If you cannot drive your vehicle after an accident or loss covered under section 5 of this policy, we will pay up to £150 for the driver (or £250 in total for all the people in the car) towards the cost of hotel expenses for an overnight stay if this is necessary.

Child seats

Replacement cover up to £100 for each child seat following an accident or loss.

Winter tyres

We will not charge an extra premium for you fitting winter tyres to your vehicle. Any winter tyres must be fitted to wheels of the correct specification. So the wheel size – diameter, width and offset – must meet your vehicle's specifications.

Your vehicle handbook or manufacturer should be able to give you advice on specification if you are not sure.

Personalised number plates

If your vehicle is stolen and not recovered, or is so badly damaged that it would not be financially worthwhile to repair it, you should contact the Driver and Vehicle Licensing Agency (DVLA) as soon as possible to arrange to transfer the number plate to a replacement vehicle. If you do not contact the DVLA, this could delay your claim.

Automatic renewal

If you pay your premium in instalments, we or your agent will automatically renew your policy. This saves you having to contact us or your agent before the renewal date. Before your cover ends, we or your agent will write to you with full details of next year's premium and policy terms.

If you do not want to renew this policy, simply tell your insurance adviser that you do not want to renew it before the renewal date.

If you tell your insurance adviser that you do not want to renew after the renewal date, we will cancel this policy in line with section 14. If we decide not to renew your policy, we will write to you before the renewal date.

Detecting and preventing fraud and confirming claims history.

To keep premiums as low as possible for all our customers, we take part in a number of schemes to help prevent and detect crime, especially fraud. This involves adding details of all our policies and claims we receive to different systems and registers.

To detect and prevent insurance-related fraud, we may:

- share information about you with other companies within our group or those providing services to us; and
- check or file your details with fraud-prevention agencies, systems and registers, and if you give us false or inaccurate information or we suspect fraud, we will record this too.

We and other organisations may also use and search these agencies, systems and registers to:

- help make decisions about the insurance, credit and related services we provide and manage for you and members of your household;
- trace people or organisations we owe money to, recover debt, prevent fraud and manage your accounts or insurance policies;
- check your identity to prevent money laundering, unless you supply other satisfactory proof of your identity; and
- make credit searches and other fraud searches.

Fraudulent, false and exaggerated claims

Fraudulent, false and exaggerated claims increase premiums for our policyholders.

We will not pay a claim if:

- any part of it is fraudulent, false or exaggerated;
- you, or anyone acting for you, make a claim in a fraudulent or false way; or
- we have been given any documents which are false or stolen.

We will also do everything possible to recover our costs in such circumstances. We will also cancel your policy but will not return any premium.

Data Protection Act

We are registered with the Data Protection Commissioner as a 'data controller'. By taking out an insurance policy with us, you agree to us collecting and using your personal information. The information that we collect from you may be stored and processed in, and transferred to, any country outside the EEA in order for us to use the information in line with this policy. By providing your information, you agree to this.

We cannot guarantee that any organisation outside the EEA will have adequate protection for personal information, but we will take all steps reasonably necessary to make sure that your information is treated securely and in line with this policy.

Under the Data Protection Act 2001, you have the right to ask for a copy of the information we hold about you. The request has to be in writing and must be signed by you.

We will provide the information free of charge and as soon as possible.

We can give you details of all the systems and registers we use, and where we send personal information to, if you ask.

General exceptions

**These exceptions apply to the whole insurance
Your insurance does not cover the following.**

- a** Any liability to others, or loss of or damage to any vehicle covered by this insurance, when the vehicle is being used in any of the following ways.
- Driven by or in the charge of anyone who is driving without your permission or is not included as a driver in the certificate of motor insurance or who is excluded by an endorsement.
 - In the charge of anyone who is disqualified from driving, or who has not held a driving licence, or who by law is prevented from holding or getting a driving licence.
 - Being driven in a way not covered by the driver's licence (such as a learner driving without anyone else in the vehicle).
 - Being used outside the United Kingdom, unless it is allowed by section 12.
 - Being used in restricted areas of airports or airfields (we will not pay any claim involving aircraft within the boundary of the airport or airfield).
 - Being driven in an unsafe, unroadworthy or damaged condition or without a valid MOT, Individual Approval Certificate (IAC) and Single Vehicle Approval certificate when one is needed. (The Single Vehicle Approval Scheme involves inspecting cars and light-goods vehicles, before registration, which have not been designed or built to British or European safety and environmental standards.)
 - Being driven with a load or a number of passengers which makes it unsafe to drive, or which is heavier or greater than the manufacturer's recommendations.
 - Carrying an insecure load (such as a heavy load that is not properly tied down).
 - Towing a trailer which is unsafe or has an insecure load.
 - Being used for a purpose that it is not insured for. (As long as you do not make a profit, your employer can pay an allowance for the number of miles you drive, or a passenger can contribute towards the cost of fuel.)
 - Being used in any form of competition, rally, trial, track day, performance test, timed lap, race or speed trial whether or not your vehicle is on private property, a public road, a private racetrack or a derestricted toll road. (Derestricted toll roads are roads the public can pay to have access to and where speed restrictions are temporarily or permanently suspended.)
- b** Any result of war, revolution or any other similar event. Any loss or damage caused by any government, public or local authority legally taking or damaging your property.

General exceptions (continued)

c Any loss or damage caused by:

- an earthquake; or
- a riot in Northern Ireland or outside England, Scotland, Wales, the Isle of Man and the Channel Islands.

d Any liability you have accepted by agreement or contract, unless that liability would have existed without the agreement.

e Any loss or damage caused directly or indirectly by:

- ionising radiation, or contamination by radioactivity from any nuclear fuel, or from any nuclear waste from burning nuclear fuel; or
- the radioactive, toxic, explosive or other dangerous properties of any explosive nuclear material or any part of it.

f Loss or damage caused by pressure waves from aircraft or flying objects.

g Loss or damage by pollution or contamination, however caused, other than cover needed by the Road Traffic Acts or any other laws which apply to motor insurance.

h Any liability to others, or loss or damage if your vehicle has driven more than the annual mileage limit shown in the schedule.

i Any loss, damage, injury or legal liability caused directly or indirectly by terrorism or any similar event. This exception does not apply to the cover we must provide under the Road Traffic Acts or any other laws which apply to motor insurance.

This exception does not apply to sections 5, 6, 7 and 8 of this policy.

General conditions

These conditions apply to the whole insurance

a We will only provide the cover described in this insurance under the following circumstances.

- Anyone claiming cover under this contract has kept to all the conditions in this document and any endorsements.
- The information you gave on the proposal form, or on the statement of insurance and any declaration, is true and complete. If we find that you have not given us accurate information, we may not pay your claim or your insurance may not be valid.
- 'Your vehicle' means any vehicle you have told us about and that we have agreed to cover. The vehicle must be your property and registered in your name. If you change the vehicle covered by this insurance or get an extra vehicle which you need cover for, you must tell us in writing beforehand.

We will only provide cover if you have paid the premium.

b If you make a claim which you or anyone acting for you knows is false or exaggerated, or if you give us incorrect information or fraudulent documents, we will not pay any part of the claim, your cover under this insurance will not be valid, and you will lose any premium you have paid.

c After any incident which could lead to a claim, phone or write to us immediately (contact details are at the end of this document). If any incident involves theft, attempted theft or vandalism, you must also report this to the police as soon as you discover the incident.

- d** You must send us any letters, writ or summons as soon as you receive them, together with a filled-in report form. Do not answer any letters – send them straight to us. You must also tell us if you know about any prosecutions involving anyone covered by this insurance. If you or any other person covered by this insurance has an accident or loss, you or any other person covered by this insurance must not admit to anyone else that it was your fault or negotiate or refuse any claim unless you have our permission.
- e** We are entitled to take full control of any claim and we must be given whatever information and help we need. You or any other person covered by this insurance must not do anything that will affect our interest in this insurance. We can prosecute or defend any claim in your name or in the name of any other person covered by this insurance.
- f** If an annual mileage limit applies and you go over the limit shown on your schedule during the current period of insurance, your cover under this insurance will not be valid.
- g** If, under the law of any country which this insurance covers you in, we have to settle a claim which we would not otherwise have paid, you or the person who made the claim must pay this amount back to us.
- h** If your vehicle is damaged and a part or accessory cannot be repaired or replaced, we will only pay you the amount shown in the manufacturer's last United Kingdom list price. If we know that your vehicle is imported and we have agreed to cover it, and the damaged part or accessory has never been available in the United Kingdom, we will only pay the manufacturer's last list price in the country your vehicle came from. We will not pay for the cost of importing any part or accessory needed to repair your vehicle.
- i** If your vehicle is under a hire-purchase or leasing agreement and it is damaged and cannot be repaired or replaced, we will pay the claim to the owner shown in that agreement.
- j** If there is other insurance in force which covers the same loss, damage or liability as our insurance, we will only pay the difference between that provided by the other insurance and the total cost of the loss, damage or liability, if the total cost is more. This condition does not make us responsible for any amount we would not otherwise have paid under any section of this insurance.
- k** You must take all reasonable steps to keep your vehicle in a roadworthy condition at all times, and protect your vehicle and its contents from loss or damage. You must lock your vehicle when you leave it, and set any alarm, immobiliser or other security equipment. We can examine your vehicle at any reasonable time.
- l** If you have an accident, you must take all possible steps to protect your vehicle and its accessories and contents. If the damage to your vehicle is covered by this insurance, you must arrange for your vehicle to be taken to the nearest competent repairer and we will accept any reasonable costs as part of your claim. We will not pay for any further damage you cause if you try to drive your vehicle after the accident. When your vehicle is with the repairer, you must arrange for the repairer to send us a detailed estimate for the cost of repairs immediately. One of our approved assessors must inspect your vehicle before any repairs are started. We will not be responsible for the cost of any new parts or accessories ordered, or repairs carried out, without our agreement. If we think the estimate for the cost of repairs is unreasonable, we may negotiate a lower estimate, pay for any emergency work that has been carried out so the vehicle could be used, or move

your vehicle to another repairer. We have the right to move your vehicle to a safe storage place without asking you.

m If we choose, we may arrange for the repairer to use suitable parts and accessories that are made by a company other than the manufacturer of your vehicle.

n You cannot transfer this insurance to anyone else.

o You must tell us as soon as possible about any changes which could affect your insurance and which have happened since the cover first started or since you last renewed it. If you do not tell us about these changes, your insurance may not cover you fully or it may not cover you at all. If you are not sure whether any facts are important, please ask your insurance adviser. Here are some examples of changes you should tell us about.

- A change of vehicle – including getting an extra vehicle. We will need full details of your new vehicle, which must include information about the country in which it was first registered if not in the United Kingdom.
- A change in the way you use your vehicle (for example, you become a taxi driver).
- A change of address.
- A change of occupation, including any part-time work.
- Convictions and prosecutions.
- A change in the main driver of the vehicle.
- Details of drivers using the vehicle who you have not told us about before.
- Details of any medical conditions that you or anyone who will drive the vehicle has developed.
- All changes you make to your vehicle, if these make your vehicle different from the manufacturer's standard specification.
- The sale or change of any other vehicle you own or are the main user of.
- A change to the annual mileage limit (if this applies) that you need.
- A change to the place where you usually keep your vehicle.

p This insurance does not give rights to any person other than you (the insured person) unless we say differently elsewhere in this document.

q We have the right to find out the mileage reading of your vehicle. You must give us all the help and information we need and provide written evidence to prove the distance recorder reading of your vehicle, if we ask for this. We can examine your vehicle at any reasonable time.

r Unless we have agreed otherwise with you, this insurance is governed by the law applying in the particular country in the United Kingdom you live in. If there is any dispute over which law is to apply to this insurance, we will apply English law. We will not make any payments that are awarded by a court in a country outside the United Kingdom unless your cover has been extended to that country under section 12 of this insurance.

s If you make a claim (other than one just under section eight), you must pay your annual premium in full to Adrian Flux Insurance Services Group. This includes if you pay by instalments or Direct Debit. If you owe any premium or credit charge when we are due to pay a claim, we can take the amount you owe from the claim payment.

Reporting accidents – What to do if you have an accident

The following is a list of what you should and should not do if you have to make a claim.

- a** Do not drive away. You must stop if any person has been hurt, or if any vehicle or property has been damaged.
- b** Ask for the names and addresses of any other drivers or pedestrians involved. If there is another driver involved, ask for the name of his or her insurer and for their insurance policy or certificate number.
- c** If the accident damaged another vehicle or property, you must give your name, address and vehicle registration number and show your certificate of motor insurance to anyone who needs it. If anyone other than you is injured, you must show your certificate of motor insurance to the police.
- d** Write down the names and addresses of any witnesses.
- e** Draw a diagram of the scene. Show as much detail as possible, including:
 - the position of all the vehicles before and after the accident;
 - the speeds and distances;
 - road names and layout;
 - where witnesses were standing;
 - any obstructions to your or other road users' view; and
 - anything that could be relevant to the accident (such as weather conditions).
- f** Do not admit you were at fault in any way or offer to make a payment. If any other person does this, remember to report it to us.
- g** You must report all accidents to us immediately. You can phone if necessary. You must also send us a report form. You need to answer all the questions on the form, then sign and date it and return it to us.
- h** If you receive any writ, summons or correspondence from anyone else or their representative, send it to us immediately. You must tell us immediately about any prosecution, coroner's inquest or fatal accident enquiry involving any person covered under this insurance.
- i** We cannot guarantee to provide a courtesy vehicle for you.

Endorsement 7 – Tracking

We will not pay for any theft claim under sections 5, 6 and 7 unless you have an anti-theft electronic tracking device fitted to your vehicle, and which will be set and working at all times.

Endorsement 8kk - Motor caravans (Kozy Kamper)

Section 11 (Personal belongings) of your document is deleted and replaced by the following wording.

We will pay up to a total of £500 for awnings, gas cylinders and generators, or up to £500 for personal belongings, linen, cutlery, utensils, furnishings, clothing and other camping equipment, used in connection with your vehicle if they are lost or damaged as a result of accident, fire, theft or attempted theft involving your vehicle.

This cover does not apply to:

- money, stamps, tickets, documents, securities, jewellery, furs or bicycles;

- b** Hiring out or lending out the vehicle to any person is not covered by this insurance.

Endorsement 10 – Agreed value

If your vehicle is damaged so badly that it would not be financially worthwhile to repair it, or if it is stolen and not recovered, we will pay you the amount shown in the schedule.

Endorsement 11 – Track events

If you have comprehensive cover under your motor vehicle policy and you use your vehicle at a track event, the only cover available under this policy is damage to your vehicle. If you have third party, fire and theft cover under your motor vehicle policy and you use your vehicle at a track event, the only cover available under this policy is fire and theft.

There is no cover for third-party liability or third-party property damage.

We only provide cover if the event is organised by a registered motoring club, a motor manufacturer, a member of the Association of Track Day Organisers (ATDO) or a motoring magazine, and if the event is professionally organised. We would expect a professionally-run event to follow the conditions opposite.

- The event is non-competitive.
- The number of vehicles allowed on track at any one time is limited to a safe number.
- The organiser must hold valid public liability insurance.
- Experienced marshals must be present throughout the event.
- Instruction (for example, rules relating to track use and safety) should be available.
- Drivers must wear helmets.

Minimum recommended vehicle checks before the event

Driving around a race track will push your vehicle and its mechanics to the limit. So, you will need to make the following checks before the event.

- Brakes – check that the brake pads, discs and shoes are all in good condition with plenty of wear left, and that the brake fluid is topped up.
- Tyres – check with the manufacturer's conditions that the tyres are suitable for racing, and have the correct speed rating. Also check that the air pressure in all the tyres is correct.
- Shock absorbers and suspension – check for any breaks or wear and tear.
- Engine oil – check that this is topped up.
- Coolant – check that this is topped up.

What is covered

- Accidental damage caused to the insured vehicle, if the cover is comprehensive.

What is not covered

- Section 1 (Liability to others), section 6 (Fire and theft), section 8 (Windscreen) and sections 10, 11 and 13 (Personal accident, Personal belongings and Medical expenses) at any time while the vehicle is being driven on, or entering or leaving, a track that is used at any time for track events.

Your insurance does not cover the following.

- The vehicle being used for racing.
- Any damage following any irresponsible act or acts of negligence, including deliberately ignoring the circuit rules or the instructor's advice and instructions.
- The vehicle not being used in line with the organisers' procedures.
- Any wear and tear.
- Any damage caused by paint chipping after going into gravel or off-road.
- You being under the influence of alcohol or drugs.
