You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance.

So that you understand what you are covered for, please read this policy, the policy schedule (which may make reference to endorsements) and the Certificate of Motor Insurance very carefully. You should pay special attention to the general exclusions and general conditions of this policy.

The words or phrases contained within the Definitions section of this policy document commencing on page 6 have the same meaning whenever they appear in this policy document or in the certificate of motor insurance, policy schedule or endorsements. So that you can easily identify these words and phrases they are shown in bold print throughout this policy document.

If you have any questions, the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your insurance intermediary.

Guidance notes

There are useful guidance notes shown in shaded boxes throughout the policy document. The guidance notes do not form part of the insurance contract but are there to help you understand it. You should always read the guidance notes in conjunction with the whole of the policy document.

What to do in the Event of an Accident

Regardless of blame it is important that you take the following action:

Stop: Stop as soon as possible, in a safe place (if you have a warning triangle, place it well before the obstruction). If anybody has been injured, call the police and ambulance service.

Sketch: Make a quick sketch of the direction and final position of each vehicle (it is worth keeping a pen and paper in your vehicle).

Note down: You will need to make a note of:

- The vehicle registration number, name and address of any other drivers involved in the accident.
- The number of passengers in each vehicle.
- The name and address of anyone who is injured (or suggesting they have been injured).
- The name and address of any witnesses to the accident.
- The name, number and constabulary of any police officer who attends the accident.

Take a photo: If you are able to do so, try and take photographs to support the positions of the vehicles and the extent of damage.

Provide: You must give your own details to anyone who has reasonable grounds for requesting them.

DO NOT: Do not admit responsibility, either verbally or in writing. Instead, simply supply your details along with your policy number to the other driver(s)/person(s) involved in the accident and ask him/her to call the claims advisors on **0345 293 5330**. By passing these details to the other person(s) involved in the accident you will give him/her the opportunity of obtaining assistance in progressing repairs and assisting with the provision of a courtesy vehicle if the circumstances of the accident warrant this.

If for any reason you have not been able to exchange details with other drivers or owners of property, or you were in collision with an animal, you must report the accident to the police as soon as possible and certainly within 24 hours of the accident.

- Someone who drives the **insured vehicle** is convicted of an offence (whether motor related or not) or fixed penalty or other licence endorsement or suffers from a medical condition or has a claim on another policy.
- Someone who drives the **insured vehicle** has any police enquiry or prosecution pending (note – if you have been stopped by the police a prosecution may be pending and must be disclosed).
- A change of occupation (full or part-time) by you or any other driver.
- A change of postal address.
- A change of garaging facilities and/or where the insured vehicle is normally kept overnight.
- The security system fitted to the insured vehicle is no longer in operation.

This is not a full list and if you are in any doubt you should advise your insurance intermediary for your own protection.

If the information provided by you is not complete or accurate:

- we may cancel your policy and refuse to pay any claim, or
- we may not pay any claim in full, or
- we may revise the premium and/or change the compulsory excess, or
- the extent of the cover may be affected.

Guidance Notes – Notification of changes

The premium that you pay is based on information you supplied at the inception or renewal date of this insurance policy.

If your circumstances, or the circumstances of any driver covered by this policy change, then the premium needs to be recalculated to ensure we are collecting the correct premium for the risk.

It is important that you notify your insurance intermediary immediately of any changes such as those examples given under Notification of changes.

If you fail to supply details of changes or the information supplied by you is not complete or accurate then:

- we may cancel your policy and refuse to pay any claim, or
- we may not pay any claim in full, or
- we may revise the premium and/or change the compulsory excess, or
- the extent of the cover may be affected.

Section A - Loss of or Damage to the Insured Vehicle

This section only applies if the cover shown on your policy schedule is **Comprehensive**.

What is covered

We will cover **you** against loss or damage to the **insured vehicle** (less any **excess** that applies) caused accidentally or as a result of malicious damage or vandalism (malicious fire damage is covered by Section A of this policy). Loss or damage more specifically covered under Section B of this policy is excluded under this section of the policy.

We will also cover you for damage to sunroofs, glass roofs, **panoramic roofs**, lights/reflectors, folding rear windscreen assemblies or any permanently fitted accessories including glass contained within hard tops, under this section.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement, provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**, whichever is the lower amount.
- the **written down value**, agreed value or **market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

If the **insured vehicle** was not first registered from new in any country contained within the **geographical limits** we will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the **insured vehicle** is deemed to be beyond economical repair the damaged vehicle becomes **our** property once a claim is met under the policy. **You** must send **us** the vehicle registration document and MOT certificate if one is required by law for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is the subject of a Hire Purchase / Lease Agreement **we** will pay up to the amount defined above under 'the most **we** will pay'. This payment will be made to the Hire Purchase / Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, **you** owe less than the proceeds of **your** claim, **we** will pay **you** the difference.

Guidance Notes – Finance or Lease agreement

If your **insured vehicle** is the subject of a finance or lease agreement and your vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the market value/written down value of your insured vehicle may not be sufficient to satisfy that agreement.

We would recommend that you discuss any concerns that you may have with your insurance intermediary who may be able to supply you with details of products available to cover any shortfall.

New vehicle cover

If the **insured vehicle** is less than one year old (calculated from the date of first registration) at the time of the incident leading to a claim under this policy, and:

- suffers damage covered by the policy; and
- is beyond economical repair

We will replace it with a new one of the same make, model and specification. However, this new vehicle cover only applies if:

- **you** have been the first and only registered keeper and owner of the **insured vehicle**; and
- a suitable replacement vehicle is available in any country contained within the **geographical limits**; and
- anyone else who has an interest in the **insured vehicle** agrees; and
- the **insured vehicle** has covered less than 15,000 miles.

In the event that a vehicle of the same make, model and specification is unavailable **we** will settle the claim on the basis of the **market value** of the **insured vehicle** immediately before the loss.

Section A - Loss of or Damage to the Insured Vehicle (continued)

Once a settlement has been agreed in accordance with this new vehicle cover, the damaged vehicle becomes **our** property.

If the **insured vehicle** is the subject of a Hire Purchase / Lease Agreement **we** will only agree settlement on the basis of this new vehicle cover if **we** have the agreement of the Hire Purchase / Lease Company as owner of the **insured vehicle**.

Repairs

Repairs are normally undertaken by **our approved repairer**.

If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- the most **we** will pay toward the cost of labour to repair the **insured vehicle** will be the labour rate quoted by **our approved repairer**. In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment based on the labour rate quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in any country contained within the **geographical limits** **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom. **We** will not pay the cost of importing parts that are not available in any country contained within the **geographical limits**.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest competent repairer, **approved repairer** or nearest place of safety; and
- the cost of re-delivery after repairs to **your** home or business address, whichever is the lower amount; and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer, place of safety or make **our** own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Young and Inexperienced Driver Excesses

You will be responsible for paying the following amounts while the **insured vehicle** is being driven by, is in the charge of or was last in the charge of the categories of driver listed below:

Age or experience of person driving, in charge of or last in charge of the insured vehicle	Amount of Excess
Aged 20 years and under	£300
Aged 21 to 24 years inclusive	£200
Aged 25 years and over but: <ul style="list-style-type: none"> • who holds a provisional driving licence; or • who holds an international driving licence; or • has held a full driving licence to drive a commercial motor vehicle issued either in a country contained within the geographical limits or a member country of the European Union but for less than one year. 	£150

The Young & Inexperienced Driver **Excess** applicable at the time of loss or damage is determined by the age or driving experience of the person driving/in charge of the **insured vehicle** at the inception date or last renewal date of the policy whichever is the later.

The amounts shown above are in addition to any other **excesses** which are shown elsewhere in this policy document or on **your policy schedule** or in any **endorsement**.

In-vehicle entertainment, communication and navigation equipment

The most **we** will pay under this section is £300 after the deduction of any **excess** that applies in respect of any one occurrence for loss of or damage caused to permanently fitted **in-vehicle entertainment, communication and navigation equipment**.

If this equipment forms part of the original vehicle specification and was fitted to the **insured vehicle** by the vehicle manufacturer or their authorised dealer at the time the **insured vehicle** was first registered from new, the amount of cover for any one occurrence will be increased to £750 after the deduction of any **excess**.

Any amount payable in respect of **in-vehicle entertainment, communication and navigation equipment** will not exceed the value of the equipment at the time of the loss or damage after making a deduction for wear and tear.

Guidance Notes – Flood Advice

- If possible move your vehicle to a safer place out of the reach of floodwater before the flood strikes (e.g. to higher ground).
- Do not attempt to drive your vehicle through floodwater as it is inevitable that this will damage your engine particularly if your vehicle has a diesel engine or turbo charger. The policy does not pay for electrical faults and these are also likely to occur if you do drive through floodwater.
- If your vehicle is submerged do not try to start the engine. If possible get your vehicle pushed or towed out of the water and allow it to dry out. You may be lucky and the water may not have penetrated sufficiently to ruin the engine.

Repairs to your vehicle resulting from flood damage are covered if your policy cover is comprehensive but claims will be subject to the policy excesses. A comprehensive policy will also pay for towing as well as damage to upholstery, carpets and stereo systems resulting from flooding but only up to the limits shown within this document.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft

This section only applies if the cover shown on your policy schedule is either **Comprehensive or Third Party Fire & Theft**.

What is covered

We will cover **you** against loss of or damage to the **insured vehicle** (less any **excess** that applies) caused by fire (other than by vandalism or malicious intent), lightning, self ignition, explosion, theft or attempted theft.

Cover also applies under this section while the **insured vehicle** is in the custody of a member of the motor trade for servicing or repair.

Under this section we may either:

- pay for the damage to the **insured vehicle** to be repaired; or
- with **your** agreement provide a replacement vehicle; or
- pay an amount of cash equivalent to the loss or damage.

The most we will pay will be either:

- the **market value** of the **insured vehicle** immediately before the loss; or
- the cost of repairing the **insured vehicle**, whichever is the lower amount.
- the **written down value**, agreed value or **market value**, whichever is lower, if **your insured vehicle** is under a lease agreement.

If the **insured vehicle** was not first registered from new in any country contained within the **geographical limits** we will not pay more than the purchase price paid by **you** at the time that **you** purchased the **insured vehicle**.

If the **insured vehicle**:

- is stolen and has not been recovered at the time of settlement; or
- is deemed to be beyond economical repair as a result of a loss covered under this section of the policy,

the lost or damaged vehicle becomes **our** property once a claim is met under the policy.

We are not liable for any amount **you** are contractually obliged to pay under any lease or finance agreement, **you** have entered into, over and above the cost of replacing **your** vehicle.

You must send **us** the vehicle registration document and MOT certificate if one is required by law for the **insured vehicle** before **we** are able to meet the claim.

If the **insured vehicle** is the subject of a Hire Purchase / Lease Agreement **we** will pay up to the limit of liability defined above under 'the most **we** will pay'. This payment will be made to the Hire Purchase / Lease Company as owner, whose receipt shall be a discharge of any claim under this section. If, under a Hire Purchase Agreement, **you** owe less than the proceeds of your claim, **we** will pay **you** the difference.

New vehicle cover

If the **insured vehicle** is less than one year old (calculated from the date of first registration) at the time of the incident leading to a claim under this policy, and:

- Is stolen and not recovered; or
- is damaged beyond economical repair as a result of a loss covered under this section of the policy,

we will replace it with a new one of the same make, model and specification. However, this new vehicle cover only applies if:

- **you** have been the first and only registered keeper and owner; and
- a suitable replacement vehicle is available in a country contained within the **geographical limits**; and
- anyone else who has an interest in the **insured vehicle** agrees; and
- the **insured vehicle** has covered less than 15,000 miles.

In the event that a vehicle of the same make, model and specification is unavailable **we** will settle the claim on the basis of the **market value** of the **insured vehicle** immediately before the loss.

Once a settlement has been agreed in accordance with this new vehicle cover, the damaged vehicle becomes **our** property.

If the **insured vehicle** is the subject of a Hire Purchase / Lease Agreement **we** will only agree settlement on the basis of this new vehicle cover if **we** have the agreement of the Hire Purchase / Lease Company as owner of the **insured vehicle**.

Repairs

Repairs are normally undertaken by **our approved repairer**.

If **you** choose to use an alternative repairer:

- **we** will not guarantee the work after **you** have signed a customer satisfaction note and the **insured vehicle** has been returned to **you** by the repairer; and
- the most **we** will pay toward the cost of labour to repair the **insured vehicle** will be the labour rate quoted by **our approved repairer**. In these circumstances **we** may at **our** option settle the claim for repairs to the **insured vehicle** by making a cash payment based on the labour rate quoted by **our approved repairer** less the **excess** which applies to the claim.

If parts required for repairing the **insured vehicle** are not available in any country contained within the **geographical limits** **our** liability for those parts shall not exceed the manufacturers' last United Kingdom list price or if not listed the price of those parts for the nearest comparable vehicle available in the United Kingdom. **We** will not pay the cost of importing parts that are not available in any country contained within the **geographical limits**.

We may at **our** option use parts that have not been supplied by the original manufacturer to repair the **insured vehicle**. These parts will be subject to the **approved repairer's** guarantee.

We will not pay the cost of any repair or replacement which improves the **insured vehicle** to a better condition than it was in before the loss or damage. If this does happen **you** must make a contribution towards the cost of repair or replacement. **You** may be required to contribute to the cost of replaced items such as exhausts or tyres.

Protection and Recovery

If the **insured vehicle** cannot be driven following an incident leading to a valid claim under this section, **we** will pay:

- the cost of its protection and removal to the nearest **approved repairer**, competent repairer or nearest place of safety; and
- the cost of re-delivery after repairs to **your** home or business address, whichever is the lower amount; and
- the cost of storage of the **insured vehicle** incurred with **our** written consent.

If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

You should remove **your** personal belongings from the **insured vehicle** before it is collected from **you**.

In the event of a claim being made under the policy **we** have the right to remove the **insured vehicle** to an alternative repairer, place of safety or make **our** own arrangements for re-delivery at any time in order to keep the cost of the claim to a minimum.

Guidance Notes – Finance or Lease agreement

If your **insured vehicle** is the subject of a finance or lease agreement and your vehicle is deemed to be damaged beyond economic repair due to a covered loss under the policy the market value of your **insured vehicle** may not be sufficient to satisfy that agreement.

We would recommend that you discuss any concerns that you may have with your insurance intermediary who may be able to supply you with details of products available to cover any shortfall.

Section B - Loss of or Damage to the Insured Vehicle by Fire or Theft (continued)

Young and Inexperienced Driver Excesses

You will be responsible for paying the following amounts in respect of any claim relating to loss of or damage to **your insured vehicle**, caused by fire (other than by vandalism or malicious intent), lightning, explosion, theft or attempted theft while the **insured vehicle** is being driven by or is in the charge of or was last in the charge of the categories of driver listed below:

Age or experience of person driving, in charge of or last in charge of the insured vehicle	Amount of Excess
Aged 20 years and under	£300
Aged 21 to 24 years inclusive	£200
Aged 25 years and over but: <ul style="list-style-type: none">• who holds a provisional driving licence; or• who holds an international driving licence; or• has held a full driving licence to drive a commercial motor vehicle issued either in a country contained within the geographical limits or a member country of the European Union but for less than one year.	£150

Guidance Notes - Preventing Crime

Don't give criminals an easy ride. Vehicle crime makes up 20% of all recorded crimes in the UK. Most thefts can be prevented - and it's in your interest and ours to take some simple precautions. Most things are common sense.

- Lock your vehicle and remove your ignition key/locking device when leaving it for even a short time e.g. at a petrol station or cashpoint machine.
- Vehicle thieves often steal the keys first especially if the vehicle has an immobiliser and break into houses just to access keys to steal the vehicle. Always keep keys secure even inside your home (do not leave keys where a burglar can easily find them).
- Keys and locking devices should always be kept in a safe and secure place - do not leave them on a wall hook, windowsill or in a jacket pocket close to the vehicle.
- Take appropriate measures to safeguard the vehicle when showing it to prospective purchasers.
- Do not keep items such as the vehicle registration document, service book, MOT certificate or certificate of motor insurance in the vehicle and never leave any valuables on view in the vehicle. You should remove items such as CD players, Radios/MP3 players and portable satellite navigation equipment whenever possible.
- Use good-quality locks and security devices.
- Park in a secure place if you can. If you have a garage, use it and lock it.

If a valid claim is made under this policy, and the **insured vehicle** is to be repaired by one of **our approved repairers**, we will provide **you** with a **courtesy van** (subject to availability) for a period not exceeding 14 days or for the duration of the repairs whichever occurs first.

If the parts required to repair the **insured vehicle** are not immediately available to **our approved repairer** we reserve the right to withhold the provision of a **courtesy van** until such time as the necessary parts are available and repair work can proceed.

If the **insured vehicle** is accepted by **our approved repairer** as being a repairable proposition, but it is subsequently deemed by **us** to be beyond economical repair, **we** reserve the right to withdraw the **courtesy van** immediately.

The **courtesy van** can only be provided subject to availability and will be supplied subject to **our approved repairer's** standard terms and conditions, for use in any country contained within the **geographical limits** only. **Our** aim is to keep **you** mobile rather than the **courtesy van** being a replacement for the **insured vehicle** in terms of status, performance or suitability for **your** normal business activities.

While **you** are in possession of the **courtesy van** for the period not exceeding 14 days or the period during which the **insured vehicle** is being repaired, whichever occurs first, cover for loss of or damage to the **courtesy van** will be provided by this policy in accordance with its terms, **endorsements** and conditions, including **excesses** for which **you** will be responsible. **We** will not make a charge for this cover.

Any accidents or losses while **you** are in possession of the **courtesy van** must be reported to **us** immediately, and may affect **your** No Claim Discount.

The cover provided by this policy will apply whilst the **courtesy van** is being used for the purposes described on the **Certificate of Motor Insurance** although further use limitations may apply under the **approved repairer's** standard terms and conditions relating to the supply of the **courtesy van**.

You are not required to inform **us** when **you** are supplied with a **courtesy van** from **our approved repairer**.

- in any country which is a member of the European Union (EU); or
- any country which the Commission of the European Communities is satisfied has made arrangements of Article (8) of EC Directive 2009/103/EC relating to civil liabilities arising from the use of a motor vehicle.

This policy provides the minimum level of cover in respect of liability which is legally insurable in the country concerned. This legal minimum insurance does not include cover for loss of or damage to the **insured vehicle**.

Full policy cover

In addition to the legal minimum cover shown above, this policy can be extended to provide the cover shown in **your policy schedule**, to any member country of the EU and also Andorra, the Channel Islands, Gibraltar, Iceland, Liechtenstein, Monaco, Norway, San Marino, Serbia and Switzerland provided that:

- the use of the **insured vehicle** abroad is limited to no more than 30 days in total in any one annual **period of insurance**; and
- **you** or any permitted driver are permanently resident within the **geographical limits** of this policy; and
- **your** visit abroad is for social, domestic or pleasure purposes only.

If **you** wish to extend the full policy cover shown on **your policy schedule** to the countries listed above **you** must contact **your insurance intermediary** in advance of **your** intended trip abroad and obtain **our** agreement to provide cover.

Any agreement by **us** to extend full policy cover abroad will be subject to an additional premium.

Additional policy restrictions may also apply.

A Green Card is not required for the countries listed above.

If the policy is extended to provide the full cover shown on **your policy schedule** whilst abroad:

The exceptions applying to sections A, B & C of this insurance also apply to this section.

Guidance Notes – Going Abroad

The policy does not automatically provide full cover abroad so, before travelling, please contact your insurance intermediary to arrange cover. The extended full insurance will then cover you in the countries for which we have agreed to provide cover and when your vehicle is travelling by rail or sea between those countries but the use of the insured vehicle will be restricted to Social, Domestic or Pleasure purposes only.

Unless you notify your insurance intermediary in advance of a trip abroad, the cover under this insurance will be limited to the minimum cover you need under the law of the relevant country (EU minimum insurance). This minimum insurance will not provide any cover for damage to or theft of your vehicle.

Take your Certificate of Motor Insurance as evidence of insurance when you travel abroad.

If your vehicle suffers any loss or damage that is covered by this insurance and the vehicle is in a country where you have full policy cover, we will refund any customs duty you pay to temporarily import your vehicle.

We will only consider extending this insurance to countries which are covered by the International Green Card system.

If you are involved in any accident or incident whilst abroad please call the 24 hour Claims Helpline using the international dialling code for the UK: **0044 345 293 5330**.

Section K - No Claim Discount

Section L - Protected No Claim Discount

As long as no claim is made under this policy during any annual **period of insurance**, we will give **you** a discount when **you** renew **your** insurance. The discount **you** will receive will be in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal. However, **your** entitlement will be affected in the event of a claim or multiple claims being made under this policy.

Your no claim discount will not be affected in the following circumstances:

- if **we** make a full recovery of all payments made by **us** in connection with the claim; or
- if **you** only claim for a broken windscreen or window under Section H of this policy and use **our** approved replacement service; or
- if **we** only have to pay for an emergency treatment fee.

If **you** make a claim or if a claim is made against **you** for an event which **you** may not consider to be **your** fault and **we** have to make a payment this will affect **your** No Claim Discount unless **we** can recover **our** outlay in full from the responsible party.

If **you** decide to cancel **your** policy and premiums remain outstanding **we** will not be able to issue proof of no claim discount until the outstanding premiums are paid.

You cannot transfer **your** No Claim Discount to somebody else.

Guidance Notes – No Claim Discount

There may on occasions be incidents (possibly involving a cyclist or pedestrian) where, although you are not claiming for damage to your vehicle, there is a potential for a claim against your policy by the third party.

In these circumstances we may disallow your No Claim Discount for up to 12 months until we are confident that a third party claim is unlikely to materialise.

This section only applies if shown on your policy schedule

The extent of No Claim Discount protection is dependent on the number of proven claim-free years earned by **you**.

If your No Claim Discount entitlement is less than four years

Dependent on the number of proven claim-free years earned by **you** we will allow a No Claim Discount entitlement in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal.

Your No Claim Discount entitlement will not be prejudiced provided that no more than one claim is made in any one annual **period of insurance**. However, in the event of a single claim being made under this insurance in any one annual **period of insurance** **your** No Claim Discount;

- will not be increased at the following renewal date of the policy, and
- will only be increased at a subsequent renewal date after **you** have been insured under the policy for a further twelve months and have not made a further claim.

In the event that **you** make two or more claims in any one annual **period of insurance** **your** No Claim Discount entitlement will be reduced to nil at the next renewal date of the policy.

If your No Claim Discount entitlement is four or more years

You must have proved that **you** have an entitlement to at least four years' No Claim Discount.

You will not lose any of **your** No Claim Discount provided **you** make no more than two partial fault, fault, fire or theft claims within any five consecutive year period.

If three claims are made in any five year **period of insurance** we will reduce the discount **you** receive in accordance with **our** No Claim Discount scale applicable at the time **your** policy is due for renewal. If more than three claims are made in any five year **period of insurance** we will reduce the discount **you** receive to nil.

Regardless of the number of years No Claims Discount to which **you** are entitled **our** agreement to protect **your** No Claim Discount does not mean that the premium cannot be increased at renewal of **your** policy to reflect an adverse claims record or driving history.

- being driven with an unsafe or insecure load; or
- being driven with a number of passengers which exceeds the manufacturer's specified seating capacity or makes the **insured vehicle** unsafe to drive; or
- towing either a greater number of trailers than is permitted by law or a trailer which has an unsafe or insecure load.

General Conditions

These general conditions apply to the whole of the insurance policy

1. Payment of Premium, Keeping to the Policy Terms & Avoiding Misrepresentation

We will only provide the cover described in this insurance policy if:

- **you** have paid or agreed to pay the premium for the current **period of insurance**; and
- **you** or any person claiming protection has kept to all of the terms and conditions of this policy (including those applied by **endorsement**) as far as they can apply; and
- in entering into this contract **you** have taken all reasonable care in answering all questions in relation to this insurance, in good faith and complete and to the best of **your** knowledge.

Your premium is based on information **you** supplied at the start of the insurance, subsequent alteration or renewal. **You** must tell **us** immediately via **your insurance intermediary** of any change to that information.

Some examples are:

- any changes to the **insured vehicle** which improve its value, attractiveness to thieves, performance or handling.
- any change of vehicle.
- change of occupation (including part-time).
- change of address.
- A change of garaging facilities and/or where the vehicle is normally left overnight.
- change of drivers.
- if **you** or any drivers pass their driving test, sustain a motoring or non-motoring conviction or licence **endorsement** or fixed penalty **endorsement**.
- there is a change of main driver.

If **your** premium has been calculated on a limited annual mileage basis **we** will seek evidence at the time of a claim to prove that **your** estimated annual mileage has not been exceeded. If **you** fail to supply appropriate evidence or evidence is provided by **you** which shows that the estimated annual mileage has been exceeded **you** will be

required to pay the additional amount of **excess** shown on the **endorsement** applying to **your** policy.

Under the Consumer Insurance (Disclosure and Representations) Act 2012 **your** failure to take reasonable care to avoid misrepresentation in relation to the information provided could result in **your** policy being cancelled or **your** claim being rejected or not fully paid.

Fair Presentation of the Risk

- a) **You** must make a fair presentation of the risk to **us** at inception, renewal and adjustment of the policy.
- b) **We** may avoid the policy and refuse to pay any claims where any failure to make a fair presentation is:
 - i) deliberate or reckless; or
 - ii) of such other nature that, if **you** had made a fair presentation, **we** would not have issued the policy.

We will not return the premium paid by **you** where the presentation made is deliberate or reckless.

- c) If **we** would have issued the policy on different terms had **you** made a fair presentation, **we** will not avoid the policy (except where the failure is deliberate or reckless) but **we** may instead:
 - i) reduce proportionately the amount paid or payable on any claim, the proportion for which **we** are liable being calculated by comparing the premium actually charged as a percentage of the premium which **we** would have charged had **you** made a fair presentation; and/or
 - ii) treat the policy as if it had included such additional terms (other than those requiring payment of premium) as **we** would have imposed had **you** made a fair presentation.

For the purposes of this clause references to:

- a) avoiding the policy means treating the policy as if it had not existed from the inception date (where the failure to make a fair presentation of the risk occurs before or at the inception of the policy), the renewal date (where the failure occurs at renewal of the policy), or the adjustment date (where the failure occurs when the policy is adjusted);

- b) refunds of premium should be treated as refunds of premium back to the inception date, renewal date or adjustment date where applicable;
- c) issuing a policy should be treated as references to issuing the policy at inception, renewing or adjusting the policy where applicable.

Where this policy provides cover for:

- a) any person who is not the named insured; and
- b) that person would, if they had taken out such cover in their own name, have done so for purposes wholly or mainly unconnected with their trade business or profession,

We will not invoke the remedies which might otherwise have been available to **us** under this General Condition (Fair Presentation of the Risk) as against the insured, if the failure to make a fair presentation of the risk concerns only facts or information which relate to a particular person who is not the insured. However, if the person concerned or the insured on their behalf makes a careless misrepresentation of fact, **we** may invoke the remedies available to **us** under this General Condition as against that particular person, as if a separate insurance contract had been issued to such person, leaving the remainder of the policy unaffected.

If **you** or anyone acting on **your** behalf knowingly commit a fraudulent act or submit a fraudulent document or make a fraudulent statement or exaggerate any claim made under the policy, **we** will not pay the claim and cover under this and all other insurances currently in force with **us** with which **you** are connected will cease immediately. **You** will not be entitled to any refund of premium under any policy.

2. Looking After Your Vehicle

You or any permitted drivers are required to maintain the **insured vehicle** in a roadworthy condition. **You** or any person in charge of the **insured vehicle** are required to take all reasonable care to safeguard it and its contents from loss or damage, for example the vehicle should not be left unlocked when **unattended**.

We shall at all times be allowed free access to examine the **insured vehicle**.

3. Having an MOT Certificate

There must be a valid Department for Transport test certificate (MOT) in force for the **insured vehicle** if one is needed by law. In the absence of a valid Department for Transport test certificate (MOT) all cover under sections A and B of this insurance is cancelled and of no effect.

4. Accidents or Losses

In the event of an accident or incident likely to give rise to a claim which is covered under the policy, **you** must as soon as possible telephone the **24 hour claims helpline (this must be within 24 hours of the incident occurring)**. **Please also refer to Page 4 of this policy booklet 'What to do in the event of an accident' for further guidance.**

If the loss or damage is covered under the policy, the claims helpline operator will make arrangements to remove the **insured vehicle** to the nearest **approved repairer**, competent repairer or place of safety, and safeguard the **insured vehicle** and its contents.

We will not pay for further damage to the **insured vehicle** if **you** drive it or attempt to drive it in a damaged condition.

If **your** claim is due to theft, attempted theft, malicious damage or vandalism, **you** must also notify the police within 24 hours of discovery of the loss or as near as practical and obtain a crime report number.

If the **insured vehicle** is stolen and is no longer under **your** control **we** will remove it from the Motor Insurance Database (MID) until such time as it is recovered.

Important: If you are advised that your stolen vehicle has been recovered following its theft and it is roadworthy, it is important that you notify your insurance intermediary immediately and before you drive the vehicle, so that we can reinstate it onto the Motor Insurance Database otherwise you run the risk of being stopped by the police as they may suspect the vehicle is not insured.

We have the right to remove the **insured vehicle** at any time to keep claims costs to a minimum. If the **insured vehicle** is damaged beyond economical repair **we** will arrange for it to be stored safely at premises of **our** choosing.

If **we** ask to examine driving licences and vehicle documentation before agreeing to settle a claim under this policy **you** must supply this documentation before **we** can proceed with the settlement.

Any indication of a claim against **you** must be notified to **us** as soon as possible. Any writ, or notification of civil or criminal proceedings should be sent to **us** by recorded delivery immediately.

We shall be entitled to take over and conduct the defence or settlement of any claim or prosecute any claim in the name of any person covered by this insurance.

5. Claims Procedures

No admission of liability, payment or promise of payment shall be made or given by **you** or any person on **your** behalf. No proceedings may be commenced against, or settlement accepted from, any other party without **our** written consent.

We shall have discretion in the conduct of any proceedings or in the settlement of any claim.

You must give **us** whatever co-operation, information and assistance **we** require in dealing with any claim under this policy.

If there is any other insurance in force which covers the same loss, damage or liability as this insurance, **we** will only pay **our** proportionate share of the claim.

6. Cancellation

Cancelling the policy within the reflection period

This insurance provides **you** with a reflection period to decide whether **you** wish to continue with the full policy.

The reflection period is for 14 days from the date **you** receive **your** policy documentation.

If a period of less than 14 days has elapsed since **you** received **your** policy documentation, and **you** have not made a total loss claim, **you** have the right to cancel the policy and receive a refund of premium.

- If at the date of cancellation **your** policy has not yet commenced **you** will receive a full refund from us; or

- If **your** policy has already commenced, **we** will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less a charge of £25 plus Insurance Premium Tax if applicable to cover **our** administration costs.

Cancelling the policy after the reflection period

Cancellation by Us

We can cancel this policy at any time if there are serious grounds to do so, for example:

- where **your insurance intermediary** has been unable to collect a premium payment (payment terms including the procedures in the event of non-payment of the premium will have been agreed between **you** and **your insurance intermediary** when **you** took out this policy); or
- **you** have failed to take reasonable care in providing information in relation to this insurance as required by General Condition 1 of this policy; or
- **you** have failed to supply requested validation documentation (evidence of No Claim Discount, copy driving licence, utility bill etc.); or
- **you** have failed to co-operate or provide information and assistance in relation to any claim under this policy or with regards to the administration or operation of this policy; or
- where **you** fail to maintain the **insured vehicle** in a roadworthy condition or **you** fail to look after it in accordance with General Conditions 2 and 3 of this policy; or
- where **we** have grounds to suspect fraud or misrepresentation; or
- where **you** use threatening or abusive behaviour towards a member of **our** staff or a member of staff of **your insurance intermediary** or **our** supplier;

We will do this by giving **you** 7 days' notice in writing to **your** last address notified to **us**. **Your** last notified address may include an email address nominated by **you** to accept correspondence.

We will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependent on the number of days left to run under the policy less a cancellation fee of no more than £50 plus Insurance Premium Tax if applicable to take into account **our** costs in providing **your** policy.

A refund of premium is only available as long as:

- the **insured vehicle** has not been the subject of a total loss claim (i.e. written-off or stolen and not recovered); and
- cancellation is not due to any fraudulent act by **you** or anyone acting on **your** behalf.

We also reserve the right to retain all premium paid for the current **period of insurance** in the event that a fault claim has been made against the policy during this period.

Non-payment of premium

In the event that there has been a loss or incident likely to give rise to a claim during the current **period of insurance** and premium amounts are outstanding **we** may at **our** discretion reduce any claims payment by the amount of outstanding or overdue premiums that **you** owe **us**.

Cancellation by You

You or **your insurance intermediary** can cancel this policy either from the date **we** are notified, in writing, or a later date as requested by **you**. Providing there have been no claims in the current **period of insurance** **we** will refund the premium relating to the remaining **period of insurance** calculated on a proportionate basis dependant on the number of days left to run under the policy less a cancellation fee of no more than £50 plus Insurance Premium Tax if applicable to take into account **our** costs in providing **your** policy.

Guidance Notes – Policy Cancellation

Please note that any refund from **us** whether during or after the reflection period may be subject to a further cancellation charge levied by your insurance intermediary. Any charges levied by your insurance intermediary will be in accordance with the terms and conditions agreed between you and them at the time you arranged this insurance.

7. Total Losses and Stolen Vehicles

If as a result of a claim the **insured vehicle** is determined to be a total loss or **your vehicle** has been stolen and not recovered this policy will be cancelled without refund of premium unless **you** change **your vehicle** to another that would normally be acceptable to **us** or the stolen vehicle is recovered and not a total loss.

In the event of the policy being cancelled due to the **insured vehicle** being a total loss or stolen and not recovered, and there being no replacement vehicle to insure (or if there is a replacement vehicle to insure which is unacceptable to **us**), all outstanding or overdue premiums, including any administration charge due, must be paid immediately. **We** may at our discretion reduce the claims payment by the amount of outstanding or overdue premiums that **you** owe **us**.

8. Right of Recovery

If under the laws of any country in which this insurance applies, **we** have to make payments which but for those laws would not be covered by this policy, **you** must repay the amounts to **us**.

You or the person who caused the accident must also repay **us** any money **we** have to pay because of any agreement **we** have with the Motor Insurers' Bureau.

Any payment **we** have to make because **we** are required to do so by compulsory insurance law or an agreement with the Motor Insurers' Bureau will prejudice **your** No Claim Discount and will also mean that there will be no entitlement to a return of premium if the policy is cancelled or declared void.

9. Vehicle Sharing

This policy allows **you** to carry passengers for social or similar purposes and **your** receipt of a mileage allowance or a payment by a passenger towards the cost of fuel will not invalidate cover as long as:

- **you** do not make a profit from the vehicle sharing arrangement; and
- the **insured vehicle** is not adapted to carry more than eight people (including the driver); and
- **you** are not carrying passengers as customers of a passenger-carrying business.

10. Fraudulent Claims

If:

- i) **You** make a claim that is false, fraudulent or deliberately exaggerated; or
- ii) **You** have made a false declaration or statement in support of any such claim;

We can at our sole discretion:

1. Deny the claim in its entirety and will not pay any legitimate part of **your** claim;
2. Recover any payment already made under the claim;
3. Cancel the policy with effect from the date **you** made the false claim or representations without returning your premium.

11. Tax and registration

Your insured vehicle must be taxed where applicable and registered within the territorial limits.

These endorsements do not apply to your insurance unless shown on your policy schedule for the current period of insurance.

Endorsement E01: Immobiliser

We will only be liable for claims arising under Section B – Loss or damage to the **insured vehicle** by Fire or Theft when a Thatcham Category 1 or 2 immobilising device has been fitted to the **insured vehicle** in accordance with the manufacturer's instructions and is in active operation at all times the **insured vehicle** is left **unattended**.

Proof of fitment of the device to **your** vehicle will be required before **we** will consider any claim under Section B – Loss or damage to the **insured vehicle** by Fire or Theft.

Endorsement E02: Tracker/Trakbak

We will only be liable for claims arising under Section B – Loss or damage to the **insured vehicle** by Fire or Theft when a Tracker device has been fitted to the **insured vehicle** in accordance with the manufacturer's instructions and is in active operation at all times the **insured vehicle** is left **unattended**.

Proof of fitment of the device to **your** vehicle will be required before **we** will consider any claim under Section B – Loss or damage to the **insured vehicle** by Fire or Theft.

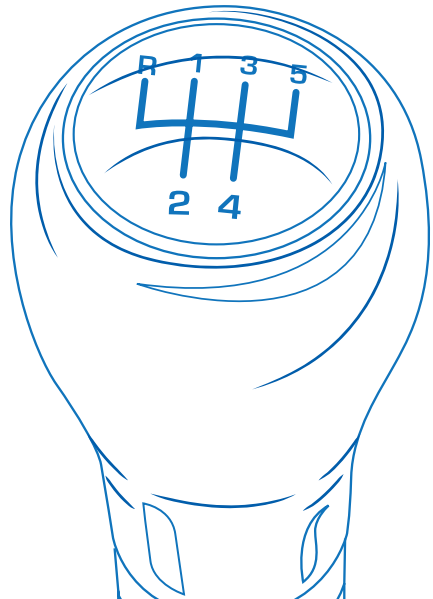

Endorsement E03: Garaging

We will not pay for claims arising from malicious damage, theft or any attempt thereat during the hours of 23.00 to 06.00 whilst the **insured vehicle** is kept at or within a three mile radius of either **your** private dwelling or any other address where the vehicle is normally kept.

This **endorsement** will not apply if the **insured vehicle** is in a securely locked garage or securely locked building of brick or concrete construction.

Endorsement E095: Haulage – 100 Mile Radius Limitation

This policy only permits the carriage of goods in connection with the Policyholder's business within a 100 mile radius of the garaging address previously notified to **us**. There is no cover under the policy if this radius limit is exceeded.

Driving Licence checks

We may also provide your (or any named third party) driving licence number (DLN) and other details to the DVLA to confirm licence status, entitlement and relevant restriction information and endorsement/conviction data.

Searches may be carried out prior to your policy commencing and at any point during your insurance policy including any mid-term adjustment and renewal stage. For details relating to information held about you by the DVLA please visit www.dvla.gov.uk.

The DVLA may also be used to search your (or any named third party's) no claims discount (NCD) details against a no claims discount database to obtain information in relation to your NCD entitlement.

Motor Insurance Database

Your policy details will be added to the Motor Insurance Database (MID), run by the Motor Insurers' Bureau (MIB). MID and the data stored on it, including your personal details, may be looked at and used by certain statutory and/or authorised bodies including the Police, the DVLA, the Insurance Fraud Bureau and other bodies permitted by law.

If you are involved in an accident (in the UK or abroad), insurers and/or the MIB may search the MID to obtain relevant information.

Persons pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID.

It is vital that the MID holds your correct registration number. If it is incorrectly shown on the MID you are at risk of having your vehicle seized by the Police. You can check that your correct registration details are shown on the MID at www.askmid.com

Fraud Prevention and Detection

We carry out fraud checks on our customers. We do this in order to prevent fraud and also to help us make decisions about the provision, pricing and administration of insurance.

When carrying out these checks, we will search against fraud detection databases.

We may pass details about you to some of these databases.

Law enforcement agencies, financial service providers, fraud prevention agencies, police and other organisations may also access these databases.

Claims History

We may process data relating to your claims history for the purposes of assessing any claim you may make.

The aim is to help us to check information provided and also to prevent fraudulent claims. When you tell us about an incident we will pass information relating to it to these databases. We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal.

Credit Searches and Accounting

In assessing an application for insurance or policy renewal, we may search files made available to us by credit reference agencies. They keep a record of that search.

Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud.

Transfers

Sometimes your information may be transferred outside the European Economic Area by us, by the organisations with whom we share your information or by the servants and agents of these organisations. If we do this we will seek to ensure that anyone to whom we pass it provides an adequate level of protection.
