3. the risk of Damage, accident or Bodily Injury is materially increased unless We state otherwise in writing;

Where:

1. there has been a failure to comply with a term (express or implied) of this Policy, other than a term which defines the risk as a whole;
- and
2. compliance with such term would tend to reduce the risk of loss of a particular kind and/or loss at a particular location and/or loss at a particular time, the Insurer cannot rely on the breach of such term to exclude, limit or discharge its liability if the Insured shows that the failure to comply with such term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

If You breach any warranty in this Policy, Our liability under the Policy shall be suspended from the time of the breach until the time when the breach is remedied (if it is capable of being remedied). We will have no liability to the Insured for any loss which occurs, or which is attributable to something happening, during the period when the Insurer's liability is suspended.

Where the obligations above reduce the risk of a loss of a particular kind, at a particular location, and/or at a particular time and do not define the risk as a whole, We shall not rely on any non-compliance to prevent out liability under the terms of this Policy, if the non-compliance could not have increased the risk of the loss which actually occurred whilst You are not in compliance with the obligations above.

We shall not be liable to provide an indemnity in respect of any act, event, claim or incident occurring whilst You are not in full compliance with the obligations above.
